the French revolution and surveys some modern terrorist organizations operating domestically and abroad International groups surveyed include the Palestinian Liberation Organization the Red Army Faction and right wing separatists in the U.S. Not surprisingly the organizations profiled are all groups to which the U.S. government is ideologically opposed and there is little recognition of other possibilities of terrorism such as the work of some Cuban emigres against the Castro regime or other groups attempting to undermine leftist regimes and opponents of the United States c Book News Inc U.S.
