## Testament Of Hope:

**A Testament of Hope**, 1991      *The God of Hope* Dan R. Dick, Dr. Joel F. Drinkard, 2013-10-08 Everyone experiences feelings of hopelessness and sometimes those dark feelings seem like they will linger forever Hopelessness can arise when dealing with family or friends or perhaps with the loss of a job the end of a relationship or the beginning of a tough financial season In times of great distress our God brings us comfort compassion and of course hope The God of Hope guides our hearts helping us find hope and healing in His word God's hope for individuals humanity and the world fill the pages of the Bible and stories of His work in our hearts when hope seems to fail are endless Full Scripture passages and reflections drawn from every book of the Bible will offer readers a deeper understanding of the hope God offers to us daily Each author explains the historical and theological aspects of God's blessings of hope so we can better apply His Word to every situation For the reader who needs help seeing the light at the end of the tunnel The God of Hope is the perfect choice Features include Scripture passages and reflections from each book of the Bible Historical theological and practical exploration of hope      *Our Christian Hope* David S. Dockery, 2008-01-01 With the dawning of a new millennium many are probing ancient prophecies for light on world events David Dockery commendably focuses on inspired Scripture as Southern Baptists ask what doctrines legitimately offer Christian hope Carl F H Henry author of *God Revelation and Authority* In an age of failed utopias and false messiahs on every hand believers need more than ever before to be reminded of the great promise of Christ's return in glory David Dockery does a superb job of focusing on the main event at the conclusion of world history the Second Coming of Jesus Christ This study helps us avoid idle speculation by lifting our hearts to our risen and returning savior Timothy George Dean and Professor of Divinity Beeson Divinity School The excellences of *Our Christian Hope* are many David Dockery has given enough content to deal with pressing contemporary questions which people ask about the end times Christians should read and study this book thoroughly Thomas D Lea former Dean Southwestern Baptist Theological Seminary David Dockery has demonstrated once again that he is one of evangelicalism's gifted theologians He has articulated the doctrine of eschatology with clarity and conviction This book is simply an outstanding study of a critical doctrine Thom S Rainer President and CEO of LifeWay Christian Resources      **Christlikeness** Robert P. Vande Kappelle, 2022-12-20 Human beings are happiest when they live virtuously For Jesus and his first followers living virtuously meant loving God and others as extensions of oneself However what began as an inclusive ethical way of life based on unconditional love gradually degenerated into an exclusive social and political religious movement that came to be known as Christendom Originally a continuation of Jewish messianism the Christian movement aligned itself with Platonic and Aristotelian elements comprising a marriage of specific elements of Greek philosophy with Roman imperialism What if instead of aligning with the dualist idealist exclusivist and supremacist Socratic movement perpetuated by Plato and his followers ancient Christians had aligned with the nondualist realist inclusivist and egalitarian Stoic movement spread by Zeno and his followers an ethical tradition

that like the teachings of Jesus was guided by providential and natural law ethics The results of such a synthesis laid out in this innovative study are practical inspiring and transformative for they are based on the greatest vision possible for humanity a nondualist approach to life that counters authoritarian and exclusivist behavior fostered by supremacist political ethical and social religious ideologies Unlike Christendom based on ecclesiastical triumphalism the way of Christlikeness envisioned by Jesus for humanity is grounded in humility compassion service and love of others **Hope** Sándor Németh,2021-07-15 One of the very important messages of the Bible is hope Actually this spiritual reality that keeps people s lives on the right path is found in the pages of the Bible more often than we think This spiritual reality is what leads us to a positive inner strength and a proper faith filled attitude toward our circumstances Eternal Hope Emil Brunner,2023-01-01 Describing his objective in writing Eternal Hope Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Several decades later such a challenge might still be levied Against this backdrop Brunner offers a way forward that remains closely tied scripture yet is nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith maintains surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous Dogmatics and partly in preparation for the second assembly of the World Council of Churches in 1954 Eternal Hope was also written just a year after the tragic death of Brunner s son It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications *The Expositor* Samuel Cox,Sir William Robertson Nicoll,James Moffatt,1884 **Understanding Hope** Philip D. Smith,2022-04-07 What is hope A feeling Something you do A belief or a cluster of beliefs A way of perceiving the world Is hope the same as wishful thinking Hope is complicated Nevertheless hope can make our lives better In Understanding Hope Philip Smith combines theology psychology philosophy and his own experience of personal loss to help readers understand and practice hope Understanding Hope is short but it requires hard thinking It s worth the effort **The Home of the Redeemed** Timothy Horton Ball,1899 The life of Christ, tr. by J.W. [and] (M.G. Hope).
