*Open and Distance Learning Initiatives for Sustainable Development* Pandey, Umesh Chandra, Indrakanti, Verlaxmi, 2017-06-27 Education plays a vital role in the positive development of communities at both a local and global level. By becoming more informed citizens can make better contributions to society. Open and Distance Learning Initiatives for Sustainable Development is a critical reference source for emerging academic perspectives on the role of higher education programs in contemporary society. Including a range of pertinent topics such as mobile learning, environmental education, and community building, this book is ideally designed for educators, researchers, students, and professionals interested in the intersection between sustainable development and education.

Jill couldn't help falling for Todd. He was handsome, charming, and they had incredible chemistry, but he had a wife and they had an arrangement. Learning to live in a poly amorous relationship was different for everyone involved. But they adjusted. Then entered Dean Witty, romantic and entirely available to be Jill's alone. He swept Jill off her feet in a way that would have answered her desires, but now only left her confused. A marriage proposal from Dean brought even more questions. Could Jill learn to be the one?

Organizational Survival: Profitable Strategies for a Sustainable Future Gregory Balestrero, Nathalie Udo, 2013-11-08

**BOOST LOYALTY PROFITABILITY AND GROWTH WITH A STRATEGY OF SUSTAINABILITY**

Organizational Survival provides a rational, research-based approach to creating a durable business strategy designed to meet the needs of today's customers and position an organization to outperform while positively impacting society, the environment, community, and the bottom line. Balestrero and Udo present an airtight argument for sustainability being essential to any business strategy going forward. Illustrating how successful companies around the globe are already deliberately changing, including Coca-Cola, BMW, BASF, and Walmart, the authors take you step by step through the processes of developing a new strategy or altering an existing one to integrate sustainability into core business goals. Organizational Survival provides the tools needed to apply risk management, scenario planning, and due diligence to sustainability initiatives via their innovative SEEE model framework developed in conjunction with International Institute for Learning Inc, which encompasses the social, economic, environmental, and ethical factors of strategic change. Learn to build adaptive foresight and steer the future of your company based on SOCIAL COMMITMENT. Integrate individual and community stakeholder interests into your strategy and align them with your company's values. ECONOMIC COMMITMENT: Develop a business model that will generate profits through sustainability. ENVIRONMENTAL COMMITMENT: Honestly assess the company's impact on the environment and take requisite action. ETHICAL COMMITMENT: Build trust among all stakeholders through openness, transparency, and accountability. Embrace the changes.

businesses are facing and implement a strategy now that will meet market demand and ensure your Organizational Survival
