

An Independent View of the Donald J. Trump Presidency

William Smith

Part II

Donald Trump's Impeachment Problems

The January 6, 2021 attack on the United States Capitol Building by Donald Trump's far-right MAGA supporters was in fact an insurrection that can never be acceptable. These individuals had every intent to forcefully disrupt the Electoral College's certification of duly elected President Joseph Biden. However, they were deliberately deceived. This action was provoked by the words of Donald Trump because he arrogantly refused to admit defeat. Consequently, far too many of these Trump fanatics came to do bodily harm to members of Congress. They even built a gallows to hang V.P. Mike Pence. Several extremists admitted wanting to find and harm Democratic Majority leader Nancy Pelosi whom they believed was responsible for Trump's impeachment. Many other members of Congress were also targeted.
