The Arab World Today:

The Arab World Today Morroe Berger, 1962 Chapter on men women and families asserts homosexuality does not seem to be so widespread today as Arab Medieval poetry suggests it might have been in earlier eras p 103 Misha Schutt **The Arab World Today** William Roe Polk, 1991 This text covers such recent developments as the growth of population differing rates of industrialization Egyptian Israeli peace efforts and the enormous impact of the ever changing oil market on economic and political life In addition the book examines the rarely analyzed but significant cultural and religious developments that are crucial determinants of political patterns and includes statistics and information enabling Polk to re evaluate and recast outmoded perceptions Struggle For The Arab World Tawfig Y. Hasou, 2019-01-22 International regional organizations are created to serve the interests of the member states The Arab League the second oldest continuously existing regional organization of its kind only the Organization of American States has a longer history was established in 1945 to serve in the view of the founding fathers the interests and aspirations of the Arab people The main objective of this study is to show that regional organizations are often used by the major regional powers to advance their foreign policy goals as the case of Egypt in the League of Arab States during the tenure of President Gamal Abdel Nasser clearly shows First published in 1985 Routledge is an imprint of Taylor Francis an informa company **Popular Culture in the Arab World** Andrew Hammond, 2007 This volume explores Arab cultural life since World War II Chapters cover topics such as radio TV the press cinema music theatre popular religion belly dance western consumerism sport and the Arabic language *Public Health in the Arab World* Samer Jabbour, 2012-03-08 This volume reviews the public health concerns and challenges specific to the complex Arab world from a multidisciplinary perspective China's Foreign Policy in the Arab World, 1955-75 Hashim S.H. Behbehani, 2020-09-10 China's foreign policy in the Arab world is important because it reflects China's general foreign policy In this study first published in 1981 the author draws upon a wealth of previously unpublished and inaccessible material to analyse Chinese attitudes in three cases the two Arab liberation movements the Palestine Resistance Movement and the Popular Front for the Liberation of the Oman and the established and independent State of Kuwait Since the Arab liberation movements played a significant political role within their fields of operation it was necessary for China to decide whether these movements did actually fit in with Chinese foreign policy objectives Dr Behbehani's analysis of these two case studies provides the basis for a discussion of whether China's motives in supporting the liberation movements are theoretical or purely practical China's support for Kuwait's political internal continuity is related to the stability of the whole Gulf region The author analyses Chinese support for Kuwait and the surrounding conservative states on two main bases political and economic in the form of trade It is through these channels particularly the economic one that China has sought to establish itself in the Gulf and the Arabian peninsula *Tourism in the Arab World* Hamed Almuhrzi, Hafidh Alriyami, Noel Scott, 2017-06-15 This book is the first to explore Arabic tourism from a business viewpoint rather than taking a sociological

anthropological or political stance It focuses on business planning management and marketing destinations in the Arab World which are topics crucial for industry stakeholders and which have previously been neglected in the tourism literature The book examines similarities and differences in the emergence and development of the tourism industry in countries across the Arab world as well as its inbound and outbound travel flows It analyses several different aspects of Arabic tourism including tourism policy organisation and planning tourism product development destination marketing and consumer behaviour This volume will be of interest to postgraduate students and researchers of tourism studies business and Middle Eastern studies
