## **The Hormone Solution:**

*The Hormone Solution* Dr. Thierry Hertoghe, 2010-04-07 America's perceptions about the inevitable effects of aging are about to be completely rethought thanks to groundbreaking new information from an internationally known expert on hormones and antiaging medicine. Thierry Hertoghe M.D. has an important message to share: people are aging unnecessarily. Based on thirty-five years of scientific studies, *The Hormone Solution: Stay Younger Longer with Natural Hormone and Nutrition Therapies* is the first book that offers a prescriptive program to counter memory loss, weight gain, wrinkles, shrinking muscle mass, impotence, hair loss, and a host of other signs and symptoms of aging. Dr. Hertoghe offers an effective program of hormone replacement therapy using safe, low doses of natural hormones in conjunction with a healthy diet and vitamin and mineral supplements to help people maintain physical, mental, and emotional health and literally restore their bodies to a state that's three to twelve years younger than their actual age. He identifies the fifteen main crucial hormones found in the body and explains the process that restores each one to its correct level. With a foreword by renowned doctor Barry Sears, *The Hormone Solution* is filled with self-scoring checklists, eating plans, nutritional prescription plans, and hormone shopping lists that help every reader calculate his or her personal hormone profile. Dr. Hertoghe is revolutionizing the medical field with his work showing us how to treat chronic illnesses and the large and small aspects of aging by using preventive measures to drastically slow the aging process and its effects without costly procedures and surgeries. *The Hormone Solution* is a landmark publication that will revolutionize how people age, enabling us to live longer, healthier, and happier lives.

**The Hormone Fix** Anna Cabeca, DO, OBGYN, FACOG, 2019-02-26 NATIONAL BESTSELLER Hormone balance is within reach, and this is the definitive guide to reaching that goal. David Perlmutter MD, author of *Grain Brain*, a revolutionary diet and holistic lifestyle program for women in perimenopause or menopause, featuring 65 keto-based nourishing recipes and a 10-day plan to jumpstart weight loss and reduce your symptoms immediately. As women approach menopause, many will experience the physical and emotional indignities of hormonal fluctuation: metabolic stall and weight gain, hot flashes and night sweats, insomnia, memory loss or brain fog, irritability, low libido, and painful sex. Too often, doctors tell us that these discomforts are to be expected and that we will have to wait them out during the change. Some of us even agree to be unnecessarily medicated. But Dr. Anna Cabeca's research and experience with thousands of her patients show that there is a fast-acting and nonpharmaceutical way to dramatically and permanently alleviate these symptoms. *The Hormone Fix* introduces Dr. Cabeca's unique Keto Green protocol, a plan that pairs the hallmarks of ketogenic (low carb, high fat) eating with diet and lifestyle changes that bring the body's cellular pH to a healthy alkaline level. The proven result: balanced cortisol and reduced output of insulin, the hormones most responsible for belly fat and weight gain, plus an increase in oxytocin, the love and happiness hormone. Whether you are perimenopausal, menopausal, or postmenopausal, *The Hormone Fix* offers an easy-to-follow program including a 10-day quick-start detox diet, daily meal plans, and weekly shopping lists for a month's
