Super Cannes:

Super-Cannes James Graham Ballard, 2014-10-08T00:00:00+02:00 La prima persona che incontrai a Eden Olympia fu uno psichiatra e forse il fatto che sia stato proprio uno specialista in malattie mentali a farmi da guida in questa città intelligente sulle colline sopra Cannes non fu affatto un caso Adesso mi rendo conto che sui palazzi di uffici del parco tecnologico incombeva una specie di follia come uno stato di guerra non dichiarata Certo che per la maggior parte di noi il dottor Wilder Penrose si rivelò un Prospero lo psicopompo capace di portare i nostri sogni più tenebroosi alla luce del giorno Ricordo il suo sorriso entusiasta quando ci salutammo e gli occhi sfuggenti che mi indussero a diffidare della sua mano tesa Solo quando imparai finalmente ad apprezzare quest'uomo labile e pericoloso riuscii a pensare di ucciderlo

Super-Cannes J. G. Ballard, 2010-04-01 In this acclaimed speculative novel the author of *Crash* imagines an exclusive business park that hides a ghastly mystery One of his finest *San Francisco Chronicle* For forty years J G Ballard has shared his unnervingly prescient vision of where civilization was headed He kept his unflinching eye on the point where technological progress has worn away our humanity And *Super Cannes* is Ballard at his best Rarely has his vision been so total his creation so complete *Minneapolis Star Tribune* Eden Olympia is more than just a multinational business park Isolated and secure overlooking the French Riviera it is a virtual city state offering the latest in services and facilities for the most elite high tech industries Yet one day Dr Greenwood from Eden Olympia's clinic goes on a suicidal shooting spree Dr Jane Sinclair is hired as his replacement and she and her husband Paul are given Dr Greenwood's house as a residence Convalescing after an accident Paul becomes fascinated with Dr Greenwood and his shocking crimes Clues in the house lead him to question Eden Olympia's official account While Jane is lured deeper into Eden Olympia's inner workings Paul uncovers the dangerous psychological vents that maintain its smoothly running surface Soon he finds himself in a race against crushing forces that may be beyond anyone's control *J.G. Ballard* Andrzej Gasiorek, 2005-10-07 Ballard's early science fiction writing earned him plaudits as one of the most innovative and individual voices in the field but his development as a writer has taken him far beyond the confines of any single genre This book traces Ballard's career from his early science fiction short stories and novels to his most recent work particularly his timely reflections on the role of violence in contemporary social life It argues that Ballard's writing is characterized by a distinctive vision of the post-war world and its possible futures and suggests that his far-reaching analyses of the present age make him one of the indispensable commentators of our time

The Empire's of J. G. Ballard David Ian Paddy, 2015-08-25 J G Ballard once declared that the most truly alien planet is Earth and in his science fiction he abandoned the traditional imagery of rocket ships traveling to distant galaxies to address the otherworldliness of this world *The Empires of J G Ballard* is the first extensive study of Ballard's critical vision of nation and empire of the political geography of this planet Paddy examines how Ballard's self-perceived status as an outsider and exile the Sheppertonian from Shanghai generated an outlook that celebrated worldliness and condemned parochialism This

book brings to light how Ballard wrestled with notions of national identity and speculated upon the social and psychological implications of the post war transformation of older models of empire into new imperialisms of consumerism and globalization Presenting analyses of Ballard s full body of work with its tales of reverse colonization psychological imperialism the savagery of civilization estranged Englishmen abroad and at home and multinational communities built on crime The Empires of J G Ballard offers a fresh perspective on the fiction of J G Ballard The Empires of J G Ballard An Imagined Geography offers a sustained and highly convincing analysis of the imperial and post imperial histories and networks that shape and energise Ballard s fictional and non fictional writings To what extent can Ballard be considered an international writer What happens to our understanding of his post war science fictions when they are opened up to the language and logics of post colonialism And what creative and critical roles do the spectres of empire play in Ballard s visions of modernity Paddy follows these and other fascinating lines of enquiry in a study that is not only essential reading for Ballard students and scholars but for anyone interested in the intersections of modern and contemporary literature history and politics Jeanette Baxter Anglia Ruskin University Shanghai made my father Arriving in England after WW2 he was a person of the world who d witnessed extremes of human experience and remained the outsider observing life from his home in Shepperton 1930s Shanghai Paris of the East was a mix of international sophistication and violence unfettered capitalism and acute poverty American cars martinis and Coca Cola a place marked by death and war It had a profound influence on my father and his imagination Dr Paddy s fascinating book explores my father s fiction within an international context and offers a profound reading of a man who always kept his eyes and mind open to the world Fay Ballard **Super Cannes** J.G. Ballard,2024 J. G. Ballard: Visions and Revisions J. Baxter,R. Wymer,2011-11-10 Providing an extensive reassessment of dominant and recurring themes in Ballard s writing including historical violence pornography post 9 11 politics and urban space this book also engages with Ballard s late modernism his experimentation with style and form and his sustained interests in psychology and psychopathology **J.G. Ballard's Politics** Florian Cord,2017-01-23 This book is the first sustained investigation of the political dimension in the work of J G Ballard A product of and reaction to the cultural socio economic moment commonly designated as the postmodern condition Ballard s oeuvre is read as a continuous and developing meditation on the postmodern examining it specifically as an expression of late capitalism The book shows that at the heart of this meditation lies the question of resistance Drawing on a wide range of concepts and ideas taken from the field of critical theory it argues that in the face of a world marked by an unprecedented expansion of capital in which modernity s grand narratives have been invalidated and in which received forms of political struggle have lost their effectiveness Ballard s fiction commits itself to a deliberately irrational and extreme pataphysical thought in order to develop a new discourse of resistance Against past readings that have construed Ballard s writing as non political decadent or quietist the study thus reveals Ballard as a thoroughly political author committed to a subversive politics In this way the book

also constitutes a timely intervention in the ongoing discussion concerning the nature and state of the political *Empty Justice* Melanie Williams, 2002 Using literature as a source of challenges to questions in philosophy and law this book explores the inculcation of the legal subject and the relationship between modernism and postmodernism as well as how such concepts might evolve in the construction of community ethics **Super-Cannes / druk 1** James Graham Ballard, 2002 Een man probeert uit te vinden waarom een arts aan de Côte d'Azur een aantal hooggeplaatste personen heeft gedood **Empty Justice: One Hundred Years of Law Literature & Philosophy**, 2002 Using literature as a source of challenges to questions in philosophy and law this book explores the inculcation of the legal subject and the relationship between modernism and postmodernism as well as how such concepts might evolve in the construction of community ethics
