## Super Flat:

**Mechademia 5** Frenchy Lunning, 2013-11-30 Passionate fans of anime and manga known in Japan as otaku and active around the world play a significant role in the creation and interpretation of this pervasive popular culture. Routinely appropriating and remixing favorite characters, narratives, imagery, and settings, otaku take control of the anime characters they consume. *Fanthropologies*, the fifth volume in the *Mechademia* series, an annual forum devoted to Japanese anime and manga, focuses on fans, fan activities, and the otaku phenomenon. The zones of activity discussed in these essays range from fan subs, fan subtitled versions of anime and manga, and copyright issues to gender and nationality in fandom, dolls, and other forms of consumption that fandom offers. Individual pieces include a remarkable photo essay on the emerging art of cosplay photography, an original manga about an obsessive doll fan, and a tour of Akihabara, Tokyo's discount electronics shopping district, by a scholar disguised as a fuzzy animal. Contributors: Madeline Ashby, Jodie Beck, McGill U, Christopher Bolton, Williams College, Nait, Chizuko, Otsuma U, Ian Condry, Massachusetts Institute of Technology, Martha Cornog, Kathryn Dunlap, U of Central Florida, tsuka, Eiji, Kobe, Design U, Gerald Figal, Vanderbilt U, Patrick W. Galbraith, U of Tokyo, Marc Hairston, U of Texas at Dallas, Marilyn Ivy, Columbia U, Koichi Iwabuchi, Waseda U, Paul Jackson, Amamiya, Karin Fan, Yi Lam, Thomas Lamarre, McGill U, Paul M. Tomshine, U of California San Francisco, Carissa Wolf, North Dakota State U.

**Art in Consumer Culture** Grace McQuilten, 2017-07-05 Written with beautiful clarity, *Art in Consumer Culture* asks the contemporary art world to be honest about the pervasive effects of commodification and the difficulty of staging critique. The book examines the collusion of art and design in contemporary artistic practices in order to find avenues of critique in a commercially driven cultural landscape. Grace McQuilten focuses on the work of Takashi Murakami, Andrea Zittel, Adam Kalkin, and Vito Acconci, four contemporary artists who claim to be working in the field of design rather than the traditional art world. McQuilten argues that Zittel, Acconci, and Kalkin engage with design only to reactivate the critical practice of art in a more direct engagement with capital and conceives of and affirms a future for art outside of the art world as a parasite in the complex beast of late capitalism. This book is an important and timely provocation to a cynical and apathetic consumer culture and a call to arms for creative freedom and critical thought.
