

A futuristic illustration of a human head in profile, facing left. The head is rendered in a dark, metallic, textured style. Inside the head, the brain is visible, glowing with a bright blue light. The brain is surrounded by a complex network of glowing blue lines and dots, resembling a circuit board or a neural network. The head is set against a dark background filled with glowing blue lines and dots, suggesting a digital or technological environment. Several glowing yellow light bulbs are arranged in a circular pattern around the head, connected by thin lines. The overall image conveys a sense of advanced technology, artificial intelligence, and cognitive enhancement.
