**California (State).**

## **Superman Addresses:**

**Superman** Ian Gordon, 2017-02-13 After debuting in 1938 Superman soon became an American icon But why has he maintained his iconic status for nearly 80 years And how can he still be an American icon when the country itself has undergone so much change Superman Persistence of an American Icon examines the many iterations of the character in comic books comic strips radio series movie serials feature films television shows animation toys and collectibles over the past eight decades Demonstrating how Superman's iconic popularity cannot be attributed to any single creator or text comics expert Ian Gordon embarks on a deeper consideration of cultural mythmaking as a collective and dynamic process He also outlines the often contentious relationships between the various parties who have contributed to the Superman mythos including corporate executives comics writers artists nostalgic commentators and collectors Armed with an encyclopedic knowledge of Superman's appearances in comics and other media Gordon also digs into comics archives to reveal the prominent role that fans have played in remembering interpreting and reimagining Superman's iconography Gordon considers how comics film and TV producers have taken advantage of fan engagement and nostalgia when selling Superman products Investigating a character who is equally an icon of American culture fan culture and consumer culture Superman thus offers a provocative analysis of mythmaking in the modern era *Graven Images* A. David Lewis, Christine Hoff

Kraemer, 2010-10-21 Comic books have increasingly become a vehicle for serious social commentary and specifically for innovative religious thought Practitioners of both traditional religions and new religious movements have begun to employ comics as a missionary tool while humanists and religious progressives use comics unique fusion of text and image to criticize traditional theologies and to offer alternatives Addressing the increasing fervor with which the public has come to view comics as an art form and Americans fraught but passionate relationship with religion *Graven Images* explores with real insight the roles of religion in comic books and graphic novels In essays by scholars and comics creators *Graven Images* observes the frequency with which religious material in devout educational satirical or critical contexts occurs in both independent and mainstream comics Contributors identify the unique advantages of the comics medium for religious messages analyze how comics communicate such messages place the religious messages contained in comic books in appropriate cultural social and historical frameworks and articulate the significance of the innovative theologies being developed in comics

**A Dictionary of Epithets and Terms of Address** Leslie Dunkling, 2008-02-20 This book will give learners of English the confidence to address people appropriately in a wide variety of situations It will also help them to understand what is implied when an English speaker uses a particular way of addressing someone These topics are entirely neglected in most courses and textbooks and there is no other reference work on the subject Anyone who is fascinated by words will also find much here of interest A wealth of historical sociological and etymological information is set out in a highly readable style Some 2 000 entries arranged in alphabetical order shed new light on familiar terms of address and

present many curiosities The author gives examples from a wide range of literature particularly twentieth century novels and provides an illuminating commentary on them
