## **Supernatural Prosperity:**

*SUPERNATURAL PROSPERITY* ISAIAH MACWEALTH, God wants you to prosper and it is He who gives the power to get wealth So if God gives the power to get wealth as the scripture shows then He must have principles that we can seek to understand and engage to get wealth Unlike the natural ways of acquiring wealth God s principles are built on His integrity hence they are unchanging and cannot fail The people of this world practice only the natural principles but these principles can work today and fail tomorrow depending on the economic situation This explains why someone may be so rich today and become so poor and helpless tomorrow The recent crash of Wall Street and the more recent devaluation of some global currencies are pure examples of how fickle and unstable the natural principles of wealth are We therefore cannot rely on natural ways of getting wealth alone we need to understand supernatural principles and how they work Our primary focus in this book would be on how you can prosper by seeking the kingdom of God and his righteousness and how to prosper by the covenant of prosperity *Supernatural Prosperity* Isaiah Michael Wealth,2020-09-22 God wants you to prosper and it is He

who gives the power to get wealth But thou shalt remember the LORD thy God for it is he that giveth thee power to get wealth that he may establish his covenant which he sware unto thy fathers as it is this day Deuteronomy 8 18 So if he gives the power to get wealth he must have principles that we must engage to get the wealth Our primary focus in this book would be on how you can prosper by seeking the kingdom of God and his righteousness and how to prosper by the covenant of prosperity **How to Enjoy Supernatural Prosperity** Lowell Lundstrom,1979 **Simple Steps to Kingdom Wealth**

**Dimensions of Financial Prosperity** Apostle Frequency Revelator,2017-07-11 In this publication Apostle Frequency Revelator explores the divine revelation of the Seven Dimensions of prosperity He unveils the divine truth that while it is every believer s divine legitimate right to amass humongous financial wealth from God in millions and billions in your quest to partake of these riches which God has made available as an inheritance for every believer in Christ it is important that you don t be confined to one method of provision This is because there are various ways of manifesting God s wealth in the natural realm and as a believer you must not be confined or limited to one method of operation God has more than a million ways to through which He manifests His wealth hence He cannot be put in a box or be compelled to gravitate to a lower level

of man's thinking As a new creation believer you are therefore strictly cautioned to explore these divergent ways of manifesting this special grace in the natural realm In this critical end time season some believers will receive supernatural wealth through miracle money others will receive it through wealth transfer others will become billionaires through financial multiplication and others will have their business flourish through miracle repairs while others shall receive untold wealth through supernatural angelic deposits supernatural debt cancellation supernatural financial rain and the golden rain These are what we call the Seven supernatural dimensions of financial prosperity This is because they are the current means through which God is sending prosperity to His children Therefore if you are to receive money from Heaven today expect it to come through any one of these seven dimensions or a combination of some In essence when Paul reiterated the voice of David that No eye has seen nor ear heard nor has it entered into the heart of man what God has prepared for those who love Him 1 Corinthians 2:9 He alluded to these manifestations of the Spirit which shall characterise this end time season As the glory of God is revealed more and more things are going to be more exciting as miracles of such a heightened magnitude never seen before shall be unfolded from the Throne Room of Heaven Depending on the gravity of manifestation some shall breed awe wonder and amazement while some shall trigger or provoke just cries of joy and celebration Believers have indeed been plunged into a season of new things where there shall witness the unspeakable as the spirit realm manifest itself in the natural in intensity Although there are many ways through which this grace shall be unreservedly poured upon the masses there are key ways through which it shall manifest in its intensity and viscosity In this publication Apostle Frequency Revelator explores the following divergent ways through which the wealth of Heaven is supernaturally transferred into the natural realm by the hand of angels supernatural wealth transfer Miracle Money supernatural angelic deposits supernatural debt cancellation supernatural financial rain supernatural financial multiplication and the golden rain
