

Understanding the Role and Functions of Social Work Supervision

SOCIAL WORK PRACTICUM AND SUPERVISION

Supervision In Social Work A Method Ofstudenttraining And Staff Development

Michael J. Austin,Karen Hopkins

Supervision In Social Work A Method Ofstudenttraining And Staff Development:

Social Work Supervision Carlton E. Munson,1979-04-01 A comprehensive view of historical and current approaches to social work supervision which includes one of the most extensive bibliographies ever compiled on the subject In this overview of historical and current approaches to social work supervision topics range from the first documented origins of supervision to the field s future trends with special emphasis on organizational authority and the increasingly controversial issue of professional autonomy In Social Work Supervision the author offers social work students instructors and practicing supervisors valuable practical guidelines and a solid intellectual foundation for an effective and efficient approach to social work supervision in a compact reference work

Social Work Supervision Ming-sum Tsui,2004-06-23 Social work supervision has been identified as one of the most important factors in determining the job satisfaction levels of social workers and the quality of service to clients As an indirect but vital factor in the social work process it is surprising that supervision has not received as much attention as other components of social work practice such as social work research or administration A book on social work supervision is desperately needed to bridge the gap between the demands of the field and the absence of literature Social Work Supervision Contexts and Concepts aims to provide readers with basic knowledge of theories research and practice of supervision The book will address the needs of social work supervisors frontline practitioners students and educators The book is ideally suited as a text for graduate courses on social work supervision as it contains a comprehensive literature review of the historical development theories and models and empirical research studies of the subject Equally important this is a book from practice experience in supervision that enhances the competence of supervisory practice It will help social workers supervisors and administrators to realize and revitalize their mission in social work that is to benefit clients Key Features Presents social work supervision as a rational effective and interactive process focusing on the whole person of the social worker Discusses the history the nature and definitions and the theoretical models of social work supervision Explores the major functions of social work supervision administrative educational and supportive Addresses the specific format and structure of supervision sessions

Supervision as Collaboration in the Human Services Michael J. Austin,Karen Hopkins,2004-03-23 The authors have assembled some of the finest minds in the field of supervision studies to produce Supervision as Collaboration in the Human Services Key aspects of a learning organization and the process of organizational learning are explored across the various human services social mental health health and aging making this an essential core text for graduate and undergraduate students of social work and counselling as well as for human services supervisors and practitioners

Training Methodology: Instructional methods and techniques ,1969

Field Instruction Janet Wilson,1986-02 In this book Suanna Wilson provides a comprehensive overview of student supervision written directly for agency administrators as well as school faculty involved in field instruction Based on her rich knowledge and extensive professional experience she offers specific guidelines and directions for successful field placement

including interviewing and assigning students monitoring and assessing their performance analyzing and addressing the common needs and anxieties of both students and instructors and much more She also examines the characteristics of the accreditation process the role and responsibilities of the school and the agency and the legal aspects of field instruction itself In addition Appendices highlight typical problem situations encountered in student supervision and offer performance evaluation exercises group training exercises case examples and samples of documents useful in field instruction
