Supervision Of Spiritual Directors:

Supervision of Spiritual Directors Rebecca Bradburn Langer, Mary Rose Bumpus, 2005-11-01 With the increased interest in the practice of spiritual direction both from people feeling called to be spiritual directors and from those seeking direction this book addresses the need to train the supervisors of spiritual directors. This collection of essays is one of the first books in the field that help with the training of supervisors. Written by spiritual directors who have years of experience in supervision between them this book engages some of the leading voices in the field in an exploration of a wide variety of issues including gender and sexuality ethical dilemmas working with diverse racial ethnic constituents working with the differently abled the parameters of supervision the supervision of beginning directors and more. An excellent textbook for those who feel called to the role of supervisor as well as an important book for those who are already practicing in the field.

Looking Into the Well Maureen Conroy, 1995 *Looking into the Well Supervision of Spiritual Directors* is the first book length treatment of the supervision and development of spiritual directors. **Group Supervision Method and Practice** Ellen M Tomaszewski, 2013-11 Supervision is an important part of spiritual direction. Unfortunately an individual or group can't always find someone who can provide that service. Small groups in out of the way areas are especially challenged to find a supervisor. This handbook gives spiritual directors who are involved in small groups a way in which they can provide supervision to each other. Besides providing an important service to the individual group supervision also provides a great way for groups to bond and learn trust. If done correctly it enhances the spiritual direction and the director. In this book you'll find detailed instructions on how to Run a supervision meeting. Take notes after each direction session so you're prepared for supervision. Use your notes to write a good supervision paper. Create an atmosphere where people can feel free to discuss deep personal issues. If you don't have regular access to trained supervisor we encourage you to try group supervision.

Peer Supervision - Beyond the Basics ELLEN M. TOMASZEWSKI, 2024-08-28 The spiritual direction supervision process was adapted from supervision in the psychological community. It helps a spiritual director uncover personal agendas, self protective motives or psychological and spiritual impediments to freedom in the spiritual director. Supervision is vital for every spiritual director new or experienced. It provides an opportunity for a spiritual director some say companion to perform a personal inventory to prayerfully explore personality traits or issues that might interfere with direction as well as moments of grace and then use that information to grow and develop into a better person and in the process become a better spiritual director. It is important to note that supervision deals with the inner movements of the director not the directed. During the process the director and supervisor s contemplatively listen together to God and what has been going on inside the director his or her affect while he she is listening to another. Both the supervised spiritual director and supervisors explore together where they noticed God in the direction session. Effective supervision opens the director to self and his or her feelings responses or reactions which might include almost any emotion including boredom anger fear anxiety distraction as well as

enthusiasm joy peace and hope Supervision provides many benefits including Opens the heart and soul more fully to God Increases inner freedom transparency and humility Aligns human hearts with the work of the Holy Spirit Helps a person hone the ability to be a spiritual director Develops close relationships trust and respect among supervision group members This book will help you begin or improve your spiritual direction through group supervision It provides formats for recording direction sessions supervision presentations verbatim and a supervision meeting agenda And hopefully it will help you grow toward Christ and deepen your prayer *Spiritual Direction Supervision* Lucy Abbott Tucket,2020-04-06 A workbook designed to support the care and growth of your spiritual direction practice
