Supporting Childrens Active Learning Video:

Shaping Early Childhood: Learners, Curriculum And Contexts Mac Naughton, Glenda, 2003-12-01 This text is designed to support novice and more experienced early childhood educators working with children from birth to age eight to be critically reflective in diverse aspects of their work Each section contains ideas clarification exercises reflection points summaries and case studies

Shaping Early Childhood: Learners, Curriculum and Contexts Glenda Mac Naughton, 2003-12-16 This should be essential reading for anyone involved in the training and professional development of early years practitioners It is an impressive analysis of the historical and contemporary big ideas that have influenced societies and practitioners views of children and the nature of the curriculum There are powerful sections on parents and communities I particularly liked the stimulating ideas galleries with their statements from researchers policy makers and practitioners around the world Nursery World October 2004 This key textbook introduces students and practitioners to a wide range of different approaches to early childhood It provides practical strategies for developing and implementing early learning experiences that promote excellence and equity for children The book presents the latest research and thinking about good practice discusses how various philosophies and beliefs influence decisions in early childhood education and identifies the key thinkers behind each approach By examining different perspectives the book helps early childhood practitioners to navigate their way through competing views make informed choices and be critically reflective in their work In an accessible lively and user friendly way it explores issues such as What constitutes an appropriate early childhood curriculum How best to study and assess children Involving parents and children in early childhood learning The book features a range of pedagogical devices to inspire early childhood workers to reflect critically on their work and the ideas underpinning it including Boxed definitions of key terms Ideas summary charts and ideas galleries Clarification exercises Case studies Further reading lists This essential textbook is ideal for students undertaking early childhood qualifications at degree level Masters courses in early childhood education and for practitioners who work with children from birth to eight in early childhood settings

Child Development: An Active Learning Approach Laura E. Levine, Joyce Munsch, 2010-09-16 Although the field of child and adolescent development seems to be an easy one in which to provide active learning opportunities to students few textbooks currently exist that actually do this

Coping With Pandemic: Families Engagement and Early Parental Intervention to Support Child Development During and After the Covid-19 Outbreak Rosario Montirosso, Eleonora Mascheroni, Barbara Kalmanson, Mark S. Innocenti, 2022-06-23

Supporting Young Learners Nancy Altman Brickman, Lynn Spencer Taylor, 1991 The High Scope Curriculum is a developmentally based approach to early childhood education The curriculum s Extensions newsletter in which the articles in this collection first appeared informs curriculum users about new developments relating to the High Scope open framework curriculum The articles are presented in seven chapters Chapter 1 Supporting Active Learning includes articles on the topics of active learning social development adult responsiveness to children the process of helping

children manage themselves methods for dealing with difficult children multicultural education and special needs children Articles in Chapter 2 Key Experiences for Child Development discuss ways to support preschoolers strengths communication between children and teachers children s writing math learning experiences with movement and music Chapter 3 The Daily Routine includes articles on planning by children and schedule planning by teachers Chapter 4 Environments for Active Learning presents articles that examine strategies for active learning home day care playgrounds and children s use of computers Articles in Chapter 5 The Team Process Child Observation Team Planning Assessment consider team teaching the division of labor the importance of observation and feedback assessment and child oriented lesson plans Chapter 6 Reaching Out to Other Settings and Caregivers includes articles on transitions parent involvement and the appropriateness of kindergarten practices In Chapter 7 teachers questions are answered An appendix lists books and audiovisual materials published by the High Scope Press BC

Early Media Exposure Rachel Barr,Tiffany Munzer,Mark Nielsen,2025-03-07 Given the foundational development that occurs during early childhood exposure to digital media has long been a topic of research interest and associated public concern Media use has become an integral part of family life and meets many family needs Research has struggled to keep pace with the changing use of technology and the impact that this has on early childhood development To meet this challenge we encourage submissions to this editorial initiative of particular relevance led by Prof Rachel Barr Dr Tiffany Munzer and Prof Mark Nielsen that are at the cutting edge of investigation into early media exposure The goal of this Research Topic is to shed light on the progress made during the past decade within the broad and multidisciplinary field of early media exposure and to draw attention to future challenges associated with this to provide a thorough overview of the status of the field This collection will inspire inform and provide direction and guidance
