HOW WE ARE IMPROVING SUPPORT FOR VULNERABLE CHILDREN AND FAMILIES

Supporting Families Child Protection In The Community

Terry Thomas

Supporting Families Child Protection In The Community:

Supporting Families Ruth Gardner, 2003-03-28 Recent government initiatives and developments in professional practice have been designed to help families in difficulty effectively in order to prevent child harm This book examines whether these changes have worked by examining a large scale study conducted by the NSPCC and drawing out the main messages for practice and future policy The research findings are set out in terms of children s and families needs and expectations agency interventions and outcomes community context measures and perceived changes over time Highly topical national priority designated by government Professionals are required to learn quickly about this and little information is presently available to them Clear presentation lots of boxes and diagrams to be incorporated

Protecting Children and Supporting Families Gary Cameron, Jim Vanderwoerd, Leslea Peirson, 1997-01-01 This book highlights encouraging news about programs that produce better outcomes for disadvantaged children and families It includes a comprehensive and up to date synthesis of the research evidence available on the effectiveness of these promising programs Particular attention is given to programs with a demonstrated potential to prevent child abuse and neglect and family breakdown

The Child Welfare Challenge, 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of *The Child Welfare Challenge* was hailed by Social Work as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2005 This up to date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act ASFA of 1997 The text serves as a single source reference for a wide array of professionals who work in children youth and family services in the United States policymakers social workers psychologists

educators attorneys guardians ad litem and family court judges and as a text for students of child welfare practice and policy Features include Organized around ASFA's guiding principles of well being safety and permanency Focus on evidence based best practices Case examples integrated throughout First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services risk and resilience in child development engaging families connecting families with public and community resources health and mental health care needs of children and adolescents domestic violence substance abuse in the family family preservation services family support services and the integration of family centered practices in child welfare gay and lesbian adolescents and their families children with disabilities and runaway and homeless youth The contributors also explore issues pertaining to foster care and adoption including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients A review of salient systemic issues in the field of children youth and family services completes this collection

Social Action with Children and Families Crescy Cannan, Chris Warren, 2002-09-11 Meeting the needs of children at the same time as promoting family life is more than a question of resources it needs a culture change in social services a rediscovery and a modernization of the social action and community development traditions in social work In *Social Action with Children and Families* the authors argue that ways must be found to work together to promote environments in which children can flourish and to develop forms of public life which are friendly to children and their parents Recent changes in child care systems have put more pressures on those working in it Social workers have become more open to public scrutiny and are expected to respond to problems rooted in social and economic aspects of their clients or services users lives Legislation stresses working in partnership with parents other professionals and community groups The central aim of *Social Action with Children and Families* is to help those working in this field to find a new more positive sense of direction and purpose It will be invaluable reading to those studying social work social policy and public administration as well as to all professionals working in these areas

Protecting Children and Supporting Families Gary Cameron, Jim Vanderwoerd, Leslea Peirson, 1997-01-01 This book highlights encouraging news about programs that produce better outcomes for disadvantaged children and families It includes a comprehensive and up to date synthesis of the research evidence available on the effectiveness of these promising programs Particular attention is given to programs with a demonstrated potential to prevent child abuse and neglect and family breakdown
