## **Supremacy Of Jesus:**

**The Supremacy of Jesus** Joseph Henry Crooker,1904      *The Supremacy of Jesus* Stephen Neill,1984      **The Supremacy of Jesus** Lance Lambert,2018-12-05 I am the Alpha and the Omega saith the Lord God who is and who was and who is to come the Almighty Revelation 1 8 When the word of God is devalued when the word of God is made to be insignificant when the word of God just becomes dry and dusty ancient literature nothing happens But whenever the word of God is recognized for what it is then it becomes what it is alive and active Men and women are born through the word of God They are changed and brought into a living relationship with God      The Supremacy of Jesus Crooker Joseph Henry,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      *The Supremacy of Christ, Set Forth in the Substance of a Sermon [on Rom.x.12] ... To which are Added Critical Notes Illustrative of the Person, Deity, Sonship, and Mediation of God's Dear Son* William PALMER (Baptist Minister),1861

**Rethinking Revelation** Tom Gender,2021-08-26 It is common for Christians to make two crucial mistakes when trying to understand the end times The first is placing the millennium at the center of their end times thinking The millennium refers to a thousand year period referenced six times in seven verses in chapter 20 of Revelation and nowhere else in the Bible Open almost any book about the end times and it will immediately begin framing the whole discussion in terms of the millennium This approach to end times thinking is a grave error Christians don t build the foundation of any other theological doctrine on such scant and cryptic biblical evidence yet for some reason many people don t think twice about doing it for the consummation of all things The second mistake is failing to recognize that the Bible talks extensively about two different ages that come to earth shattering ends The conclusion of God s Old Covenant brought with it the total dismantling of the Jewish priestly and sacrificial system as the New Covenant was ushered in This was not a quiet or inconsequential transition but one so cataclysmic that the Bible describes it with cosmic shaking imagery often thought to attend the end of the world In fact Scripture speaks of the end of the Old Covenant age as much or more than the end of the world but many readers fail to make this critical distinction or consider the impacts The result is confusing one end with the other as if they were one event Taking a preterist amillennial approach Rethinking Revelation places these two error prone issues into proper biblical perspective The end of biblical Judaism is so critically important that understanding it correctly must be central to the end time discussion And the nature and timing of the rather obscure millennium is a secondary matter that should be considered only after laying the foundation of the end times from the plentiful main and plain sections of Scripture      **Christianity and Humanity** Thomas Starr King,1878      **The Supremacy of Christ** Stephen Odularu,2021-01-18 Jesus Christ came into this

world to save sinners Jesus is a unique Personality that everyone gets to hear about from age to age right from the time He came into this world He is more famous than the most famous personalities Through Him and the stories about Him more books have been published than any other personality This book is also about Him The more I study about Him the more the revelations that manifest Jesus Christ was on this planet physically for only 33 1/2 years before He was crucified dead and buried rose from the dead and ascended to heaven yet His impact and influence is still penetrating the human strata portraying the fact that He is a Leader of leaders King of kings and Lord of lords the Supreme pre eminent One To know the strength of a leader all you need to do is to look at the people following Him Jesus was and is still being followed by men and women of stature He is being followed by Kings Queens Prime Ministers Presidents Entrepreneurial leaders business gurus and technocrats and men and women from all walks of life He started with 12 disciples later the seventy and when He was going He left 120 solid disciples behind To some that may look small but by the time the Holy Spirit came on them the fire of revival was ignited His Supremacy was clearly demonstrated during His short stay here and through His disciples from generation to generation Though there are powers and so called supreme leaders there is none like the Son of God This book is about how Jesus Christ is supremely forever above any other priest leader or individual You will find herein through in depth study analysis and expositions how Jesus is supreme to any created being and why He is not only worth following but worth making known to those that either despise Him or do not know Him at all I pray that as you go through the book the eyes of your understanding will be enlightened to know Him deeper than you know Him now and to follow Him all the way to the end Jesus is Lord is not a mere statement He is indeed above all I encourage you to carefully sift through the book and you will see how none can be compared to Jesus He is Lord of All A leader worth following

*The Gospel Is for Christians* Mitchell L. Chase, 2010-09-30 The gospel must shape discipleship Non gospel messages do not foster spiritual growth Chase joins a growing group of leaders on mission to help the church rediscover the truth that the gospel isn't just the power of God to save us it's the power of God to grow us once we're saved

**The Supremacy of Jesus (Classic Reprint)** Joseph Henry Crooker, 2016-10-18 Excerpt from The Supremacy of Jesus The old view has been crowded aside by the explosive power Of the truth itself The presence of such an economy is not discoverable by psychologist or historian its existence would invalidate all their scientific conclusions The onward ways of Providence are in the same stately courses of law in Christendom as elsewhere The cross is no hiatus in history between a natural and a mystical course of events The personal influence Of Jesus upon human life is an evident and powerful historical factor This we can feel and understand But the Operation Of a sacrificial and atoning agency which is sometimes claimed for him is not discoverable When we deal with the vast and unquestioned power Of Jesus in the world we deal with the dynamics Of a soul not with the magic Of an alien visitant About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art

technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Jesus Manifesto* Leonard Sweet, Frank Viola, 2010-05-30 *Jesus Manifesto* presents a fresh unveiling of Jesus seeking to restore the supremacy and sovereignty of Christ in a world and a church that has lost sight of Him Christians have made the gospel about so many things things other than Christ Religious concepts ideas doctrines strategies and methods that begin to eclipse the beauty the glory and the reality of the Lord Jesus Himself We know a lot about our Lord but we don't know Him very well We know a lot about trying to be like Jesus but very little about living by His indwelling life *Jesus Manifesto* provides clarity on the most important points of our faith It is a prophetic call to restore the supremacy and sovereignty of Christ in a world and church that has lost sight of Him This manifesto emphasizes ten crucial areas of restoring the supremacy of Jesus Christ noting Christians don't follow Christianity they follow Christ Christians don't proclaim themselves they proclaim Christ Christians don't point people to core values they point people to the Cross Christians don't preach about Christ they preach Christ Read this book to see your Lord like you've never seen Him before and restore the sovereignty of Jesus in your life Christian Advocate and Journal and Zion's Herald, 1899
