

Supreme Court Case Analysis Guide

Plaintiff(s) or the name: **Citizens United v. Federal Election Commission**

Year decided: **2010**

What (other) did what, and how did the case end up in court?

Citizens United brought an injunction against the Federal Election Commission in the United States District Court for the District of Columbia to prevent the application of the Bipartisan Campaign Finance Act (BCFA) to its film *Attack of the Biscuit: The Anti-Hillary*. The film expressed opinions about whether Senator Hillary Clinton would make a good president.

In an attempt to regulate “big money” campaign contributions, the BCFA applies a variety of restrictions to “electioneering communications.” Sections 2003 and 2004 of the BCFA prevent corporations or labor unions from funding such communications from their general treasuries. Sections 2001 and 2002 regulate the disclosure of donors to such communications and a disclosure when the communication is not authorized by the candidate it intends to support.

Citizens United argued that: 1) Section 2003 violates the First Amendment as it does not seem applied to *Attack of the Biscuit* and its related advertisements, and that 2) Sections 2001 and 2003 are also unconstitutional as applied to the film advertisements.

The United States District Court denied the injunction. Section 2003 was the focus as it was unconstitutional because the Supreme Court in *McCormick v. FEC* had already rejected that determination. The District Court also held that *Attack of the Biscuit* was the functional equivalent of express advocacy, as it attempted to inform others that Senator Clinton was unfit for office, and that Section 2003 was not unconstitutional as applied. Lastly, it held that Sections 2001 and 2003 were not unconstitutional as applied to the *Attack of the Biscuit* advertisements. The court reasoned that the *McCormick* decision recognized that disclosure of donors “ought to be unconstitutional if it imposed an unconstitutional burden on the freedom to associate in support of a particular cause,” but those circumstances did not exist in Citizens United’s claim.

A Citizen's Guide to Presidential Nominations Wayne P. Steger,2015-04-10

Presidential nominations in the United States can sometimes seem like a media circus over hyped and overly speculative Even informed citizens might be tempted to tune them out Yet understanding the process one distinct to American politics is crucial for civic participation If presidential elections are about who will lead the nation presidential nominations are about who appears on the ballot This concise and coherent Citizen s Guide examines who has power in presidential nominations and how this affects who we as citizens choose to nominate and ultimately to sit in the Oval Office Political scientist Wayne Steger defines the nominating system as a tension between an insider game and an outsider game He explains how candidates must appeal to a broad spectrum of elected and party officials political activists and aligned groups in order to form a winning coalition within their party which changes over time Either these party insiders unify early behind a candidate effectively deciding the nominee before anyone casts a vote or they are divided and the nomination is determined by citizens voting in the caucuses and primaries Steger portrays how shifts in party unity and the participation of core party

constituencies affect the options presented to voters Amidst all this the candidate still matters Primaries with one strong candidate look much different than those with a field of weaker ones By clearly addressing the key issues past and present of presidential nominations Steger s guide will be informative relevant and accessible for students and general readers alike
