Mitchell, 2015-06-08 The Devil has been represented in many film genres including horror comedy the musical fantasy satire drama and the religious epic and in these works has assumed many shapes and forms This book begins with a discussion of how the devil has been portrayed on stage how that portrayal carried over to the big screen and what are the standard elements of a satanic plot Each entry in the filmography includes year of production running time writer editor cinematographer producer and director evaluative rating annotated cast list plot synopsis overall appraisal and a spotlight on the actor playing Satan **The Ninth Gate** Roman Polanski, John Brownjohn, Enrique Urbizu, 1997

**Modern Occult Rhetoric** Joshua Gunn, 2011-01-28 A broadly interdisciplinary study of the pervasive secrecy in American cultural political and religious discourse The occult has traditionally been understood as the study of secrets of the practice of mysticism or magic This book broadens our understanding of the occult by treating it as a rhetorical phenomenon tied to language and symbols and more central to American culture than is commonly assumed Joshua Gunn approaches the occult as an idiom examining the ways in which acts of textual criticism and interpretation are occultic in nature as evident in practices as diverse as academic scholarship Freemasonry and television production Gunn probes for instance the ways in which jargon employed by various social and professional groups creates barriers and fosters secrecy From the theory wars of cultural studies to the Satanic Panic that swept the national mass media in the late 1980s and early 1990s Gunn shows how the paradox of a hidden buried or secret meaning that cannot be expressed in language appears time and time again in Western culture These recurrent patterns Gunn argues arise from a generalized popular anxiety about language and its limitations Ultimately Modern Occult Rhetoric demonstrates the indissoluble relationship between language secrecy and publicity and the centrality of suspicion in our daily lives
