And with the Teian lyre imitate Anacreon

Veronika Lütkenhaus, 2023-08-14 This book explores for the first time the influence of Anacreon and the Anacreontic tradition on Horace's Odes and Epodes It focuses first on the original fragments of Anacreon and their reception in Horace paying attention to the central themes of wine love and satire In a second part the possibility of conscious Horatian reception of the earliest Carmina Anacreontea and the broader Anacreontic tradition as distinct from the original is discussed and shown to be highly probable This imitation of imitation can be labelled in Gerard Genette's words as literature in the third

degree As a significant predecessor of Horace Anacreon can be described as no less than the central pivot between Archilochus and Hipponax on the one hand and Alcaeus and Sappho on the other He represents the tie between Horace s iambic and lyric personae and is thus a much more encompassing predecessor than any one of the other four above mentioned counterparts *Bookseller and the Stationery Trades' Journal* ,1891 **Catalogue of the Educational Division of the South Kensington Museum** Science Museum South Kensington London SW7,1850 *Catalogue of Printed Books* British Museum.
