Naughty Bits Part II The Training Session:

Naughty Bits Part II Joey W. Hill, 2014-05-20 Madison may have ditched her well ordered Boston life to run Naughty Bits her sister's North Carolina lingerie shop but she didn't expect to throw herself into such chaos or to become intimate with the sexiest man she's ever had the pleasure of meeting. After spending a night observing a submissive's training session Madison is ready for Logan to teach her how to feed her own deep fantasies and get rid of all her lingering fears. Madison's aching desire to submit is unlike anything Logan's ever experienced before and he's determined to be the man to make her relinquish control. Still Logan's unsure if Madison is ready to take that first step to becoming his until she shows up at his door ready to be commanded. Luckily for them both Logan's got more than a few surprises up his sleeve that he knows she'll enjoy. A scorchingly hot new novella from the bestselling Joey W. Hill. For fans of Sylvia Day and Jaci Burton I can't tell you how impressed I am with Hill's books. Okay hotter than hell yes but Hill manages to do more than that. This is one hell of a writer. Naughty Bits Joey W. Hill, 2014 **Raspberry Juice** Lynne

Wivanee, 2022-10-31. Although this is a novel it is full of true life experiences that we all encounter at times: the break up of a marriage and the anger and heartache it brings to all who are involved; our children being bullied at school and the pain surrounding that; the feeling of failure, lack of confidence in ourselves and the torture of following the procedures when someone dies, let alone dealing with our emotions. This book offers a possible way to look back at these experiences and view them from a totally different perspective, a more healthy and accepting one and not full of guilt for not being good enough. We are all good enough and we do the best we can with the resources we have at the time we can do no better. Scattered throughout there are references to books, song lyrics and poetry that give a positive aspect to changing our whole view of our lives and seeing it all as a true learning experience to accept and welcome even though some of our experiences may have been horrendous at the time there is still a way to gain from them in retrospect.
