 only what we plant but where we're planted Now raising their four year old daughter Indiana alone after Joey's passing Rory
 Feek digs deeper into the soil of his life and the unusual choices he and his wife Joey made together and the ones he's
 making now to lead his family into the future When Rory Feek and his older daughters moved into a run down farmhouse
 almost twenty years ago he had no idea of the almost fairy tale love story that was going to unfold on that small piece of
 Tennessee land and the lessons he and his family would learn along the way Now two years after Joey's passing as Rory takes
 their four year old daughter Indiana's hand and walks forward into an unknown future he takes readers on his incredible
 journey from heartbreak to hope and ultimately the kind of healing that comes only through faith A raw and vulnerable look
 deeper into Rory's heart **Once Upon a Farm** is filled with powerful stories of love life and hope and the insights that one
 extraordinary ordinary man in bib overalls has gleaned along the way As opposed to homesteading this is instead a book on
 lifesteading as Rory learns to cultivate faith love and fatherhood on a small farm while doing everything at times but farming
 With frequent stories of his and Joey's years together and how those guide his life today Rory unpacks just what it means to
 be open to new experiences This isn't a how to book it's more of a how we or more accurately how He God planted us on a
