**The Sacred Year** Mike Yankoski, 2014-09-23 In his life and writing Michael Yankoski walks a tightrope between action and contemplation and behold in ways we can all learn from he manages to find a sort of essential balance Philip Yancey author of What's So Amazing About Grace This book is a joy to the soul and a delight to the heart It is destined to become a classic within the genre of contemporary spiritual and religious writing Phyllis Tickle compiler of The Divine Hours Frustrated and disillusioned with his life as a Christian motivational speaker Michael Yankoski was determined to stop merely talking about living a life of faith and start experiencing it The result was a year of focused engagement with spiritual practices both ancient and modern that fundamentally reshaped and revived his life By contemplating apples for an hour before tasting them attentiveness eating on just 200 a day simplicity or writing letters of thanks gratitude Michael discovered a whole new vitality and depth through the intentional life Guided by the voice of Father Solomon a local monk Yankoski's Sacred Year slowly transforms his life Both entertaining and profound his story will resonate with those who wish

Dillehay,2020-06-02 God Cares More About How You Eat than What You Eat Christians should have their heads on straight about food but too often our eating is complicated by burdens and rules by diets and dependencies So how can we keep a spiritually healthy view of what we eat Should Christians stop eating white sugar Does the Bible ask us to go paleo Most questions about food aren t really about nutrition but about how we understand God In Broken Bread Christian Book Award winner Tilly Dillehay challenges us to abandon the concept of good and bad foods and instead offers a way to celebrate food without obsession make healthy choices without bondage to rules feed our families without feeling frazzled find satisfaction without using food as an emotional crutch This isn t another diet book You won t find any system or plan for eating but rather a joyful call to develop a vision of Christ that informs the way you eat Take delight in food again and discover a feast for today that whispers of the eternal feast to come     [The New York Times Book Review](#) ,1969     [Encyclopedia of Food and Culture](#) Solomon H.
