The Cougar-tamer & Other Stories of Adventure Frank Welles Calkins, 1899 **The Cougar's Trade** Holley Trent, 2019-07-01 Cougar second in command Hank Foye has been thrust into an unwanted mate match by the goddess La Bella Dama and saying no is out of the question As stubborn as he is not even Hank wants to suffer her curse for refusing He simply doesn't understand why she'd pair a powerful shapeshifter with a quiet human nurse Miles Bennett knows she's a liability in a world where shifters fight each other to lead and roam Orphaned young she's not afraid though to take a chance on surly Hank and walk his path with him if it means she'll finally belong to a family again But she's not going to make it easy for him She deserves better from him than benign neglect and he knows it She may not have been the mate Hank wanted but sweet Miles is the embodiment of everything he thought he couldn't have Nothing makes sense anymore not his goddess not the local Cougar dynamics and certainly not his feelings How can Hank lead a group of restless shapeshifters if he can't even get his own house and heart in order **The Cougar's Bargain** Holley Trent, 2019-07-09 Hannah Welch doomed cougar shifter Sean Foye to spend the rest of his life in his animal form when she refused to accept him as a mate but now she has no choice but to make peace She strikes a bargain with the Cougar goddess La Bella Dama that frees Sean from his furry affliction but also requires that Hannah find him a more suitable mate When the goddess sends them on a mission to root out a group of dangerous forgotten shifters Sean has no choice but to put his anger toward Hannah on ice The sooner he can get back to the ranch the sooner he can disentangle himself from the hostile woman who was supposed to be his mate But now Hannah's not so sure she should give him up He's the only man who's ever made her feel comfortable in her own skin and her own fur too Unfortunately Sean's got hangups of his own Just like her he's used to being overlooked Can she prove to him that their destiny deserves a second chance Or will they continue to walk alone rejecting the loving yet daunting future Fate had in store for them **The Cougar's Pawn** Holley Trent, 2019-06-06 Cougar shifter Mason Foye is used to getting things he doesn't want First his father died leaving Mason the heir apparent of the alpha position of a group of mutinous cats Now the absentee goddess who created the species is sending him and his brothers on an ill-timed mate hunt And her message for once is clear convince a stranger to become his mate or else When Ellery Colvard embarks on a camping trip with her two best friends she expects bonding and maybe a little adventure not to be kidnapped by a supernatural menace for the second time in a year But this time she's nobody's victim The witch is prepared to use every trick in her arsenal to escape But she's not entirely sure she's supposed to Powerful entities seem to be conspiring to push the two reluctant parties together but can they trust the magic is real Because if it isn't Mason may be cursed to spend the rest of his days roaming in his four-legged form a bad deal for a father of an infant son **House documents**, 1895
