STEVENSON (of Newark.), 1851* **The Cottage Homes of England** William Walter Crotch, 1908 [The Cottage Homes of England](#) W. Walter Crotch, 2016-12-23 Excerpt from The Cottage Homes of England The Case Against the Housing System in Rural Districts The contents of this book as I intimated in an introductory note to the first edition were hurriedly compiled in moments snatched from the busy and exacting life of daily journalism The object was to attempt to quicken among our people a deeper interest in the shocking conditions under which the peasantry of our land eke out a livelihood I am delighted to find that the object has been in some degree achieved During the months which have elapsed since the appearance of the first edition I have received numerous assurances that the subject with which the book deals is everywhere gaining greater attention and that the advice given in this modest effort has been of real and practical service to the smaller local authorities of the land That result I believe is largely due to the cordial reception and the kindly commendation with which the Local Government Press received this little work A new edition is now required mainly for the sufficient reason that the first is

exhausted and secondly because the passing last Session by the Government of the Housing of the Working Classes Act 1900 has created some alterations in the law Many changes have been made in the text and a new and explanatory Chapter X Has been substituted for the plea which under that head I made in the first edition for amendments of the Bill then before the House of Commons and which has since become the new Act Confirmation of many statements which originally appeared About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The cottage homes of england, illustrated by helen allingham ,1909* *The Cottage Homes of England* W.
