Roosters crowing, brave and bold.  
Fields await the farmer's grace,  
A brand-new day in this quiet place.

The Country I Come from Norbert Krapf, 2002 Presents an exploration of family history relationships between people of different ethnic backgrounds nature and the passage of time This work is a collection of poems including Fire and Ice Blue Eyed Grass Poems of Germany A Whiff of Fresh Sheets The Language of Place One Voice From Many and When the House Was New     **What Comes Down to Us** Jeff Worley, 2009-11-27 What Comes Down To Us features twenty five of Kentucky s most accomplished contemporary poets Together they serve to illustrate the diversity and richness of poetry being written today in the Commonwealth The poems were collected by Jeff Worley a poet who has lived in Kentucky for more than two decades Although the subject matter of the poems transcends the state s borders the collection communicates a strong sense of Kentucky as a place Worley s introduction places contemporary Kentucky poetry in the context of the state s rich literary tradition and the poet biographies include their reflections and often their poetic approach and technique     A Concordance to the Poems and Plays of Robert Browning: COM-FOU , 1996     Poems Edited with Introductions, Various Readings and Notes by J.
