**Human Rights in Crisis** Joan M. Fitzpatrick, 2018-01-15 Recent events in South America central Europe Africa and Russia have again brought to the world's attention the complex interrelationship between states of emergency and the preservation of fundamental human rights In *Human Rights in Crisis* Joan Fitzpatrick offers the first systematic and comprehensive effort to examine the multifaceted system for monitoring human rights abuses under states of exception Unlike previous studies this book does not focus on substantive norms governing crises but rather on how those norms might best be implemented Building upon her six year study for the International Law Association the author confronts the difficulties in defining a coherent concept of emergency particularly the various forms of de facto emergencies that have been relatively neglected by international monitors She also profiles and carefully critiques the numerous international bodies that have monitored human rights abuses during states of exception These bodies include not only the treaty organs of the United Nations the Council of Europe and the Organization of American States but also the political organs of the United Nations especially the Commission on Human Rights the International Labor Organization and the emerging structures of the Conference on Security and Cooperation in Europe

**Routledge Handbook on Human Rights and the Middle East and North Africa** Anthony Tirado Chase, 2016-11-10 Recent events such as Iran's Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region's on the ground politics transnational intellectual debates and global political intersections The *Routledge Handbook on Human Rights and the Middle East and North Africa* emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe
