The Daffodil Poetry Book (Classic Reprint) Ethel L. Fowler,2018-01-29 Excerpt from The Daffodil Poetry Book I do this with great pleasure because Miss Fowler is both a member of my staff and a teacher who understands the minds of young people as this little book of poetry proves for the majority of the poems selected have been learnt and appreciated by many of the pupils in this school I commend it with confidence although so many poetry books for the young are already in use because it seems to me these poems both in subject matter and in choice are especially marked by a living freshness by great originality and by a sym pathetic understanding of the human heart About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Granger's Index to Poetry Edith Granger,1953 *The Second Daffodil Poetry Book* Ethel L.
