Personnel Literature United States Civil Service Commission. Library,1970 **The New Inflation** W. David Slawson,2014-07-14 In this lively but profound study W David Slawson contends that balancing the government budget will not stop current inflation short of a disastrous depression Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Executive Manpower Management United States Civil Service Commission. Library,1972 Personnel Bibliography Series United States. Office of Personnel Management. Library,1979 *Personnel Bibliography Series* United States Civil Service Commission. Library,1960 The Du Ponts Marc Duke,1976 On December 14 1739 a second son was born to a Parisian watchmaker named Samuel Dupont and his wife He was called Pierre Samuel and he was to found one of the most famous dynasties in the world Pierre Samuel came to the United States on New Year s Day 1800 penniless after surviving a harrowing voyage with his two sons From those rather humble beginnings grew one of history s greatest manufacturing empires Marc Duke has told the story of the du Pont dynasty through the eyes of the du Ponts themselves and in doing so has written a brilliant and dramatic social history of both the company and the people who built it Controversial cantankerous and very often holier than thou the du Ponts were larger than life on the American landscape From publisher s description

Industrial Sociology Delbert Charles Miller,William Humbert Form,1980 **The New York Times Book Review** ,1969-04 Communication, Power, and Media Donald Gibson,2004 The communication potential of contemporary mass media is immense It can communicate with us about the entire world and it can stimulate and inspire us with entertainment The realisation of this potential has been frustrated by interrelated networks of people who have controlled major media over the last century Those interests see media as a means to control and manipulate people rather than as a means to inform and inspire people The approach in this book moves beyond the abstractions and systems approaches often used in criticisms of media to an analysis focused on the concrete groups that dominate media These groups do constitute a system but one that must be understood in its terms of all of its historical features economic political and social **Business Management** ,1969 *Congressional Record* United States.
