## **The Court Martial Of Jesus A Christian Defends The Jews Against The Charge Of Deicide:**

*The Court-martial of Jesus* Weddig Fricke,1990 Traces the origins of anti semitism and examines existing evidence to assess the validity of Christian charges of Jewish deicide      Twenty-six Reasons why Jews Don't Believe in Jesus Asher Norman,2007 In this seminal work an attorney puts Jesus on trial explaining to Jews Christians and the theologically curious why Jesus did not qualify as the Jewish messiah why believing in Jesus cuts Jews off from G d forever in the World To Come how the Christian Bible has strategically mistranslated key verses in the Old Testament to shoehorn Jesus into the text This compelling new book calls unorthodox Jews back to Torah Judaism Black White and Read Publishing      Het jodendom Hans Küng,2012-10-04 In dit boek behandelt Kung de complexe religieuze en politieke geschiedenis van drieduizend jaar jodendom Zijn panoramische vergezicht reikt van de tijd dat de Isra lieten aan het eind van het bronzen tijdperk het Beloofde Land innamen tot de huidige staat Isra l van de bijbelse tijden van een volk dat door zijn religie overleefde dat de catastrofe van de Holocaust      *The Ghost in the Gospels* Leon Zitzer,2006 Judas and Jewish leaders Continually tried and condemned for Jesus death This book exonerates them and ends the longest running witch trial in history The search for the true circumstances of Jesus death is an intellectual detective story The clues are all in words in the texts of the well known Gospels and they re in the prejudices that blinded us to the obvious answer This is not a tale about intrigue in the antiquities market Nor is it about looking for secret documents buried in a cave This is rather a tale about scholarly self deception in reading the Gospels Jewish history and themselves If the historical Jewish Jesus has been buried at all it is beneath our prejudices and fears Uncover these and he stands before you hidden in plain sight That may not be the usual sort of detective story but it is as genuine a mystery as ever there was It s worth solving If you re dying to know the complete solution it s all there in a nutshell in Chapter 5 If you feel a need to wade into this more slowly start with Chapter 1 I ll meet up with you again at the end of the book      **Antisemitism** F. Schweitzer,M. Perry,2003-05-29 In this provocative book Marvin Perry and Frederick M Schweitzer analyze the lies misperceptions and myths about Jews and Judaism that anti semites have propagated throughout the centuries Beginning with antiquity and continuing into the present day the authors explore the irrational fabrications that have led to numerous acts of violence and hatred against Jews The book examines ancient and medieval myths central to the history of anti semitism Jews as Christ killers instruments of Satan and ritual murderers of Christian children It also explores the scapegoating of Jews in the modern world as conspirators bent on world domination extortionists who manufactured the Holocaust as a hoax designed to gain reparation payments from Germany and the leaders of the slave trade that put Africa in chains No other book has focused its attention exclusively on a thematic discussion of historic and contemporary anti semitic myths covering such an expansive scope of time and allowing for such a painstaking level of exemplification Anti semitism is an essential book that will serve as a corrective to bigotry stereotype and historical distortion      Issues of New Testament Anti-Judaism Roger Steven Evans,2008-08-29 Issues of New Testament Anti Judaism

brings a fresh analysis to the emerging conflicts between the earliest followers of Jesus of Nazareth and the leaders of the Jewish communities in Palestine and its environs Roger S Evans reveals that embedded in many of the confrontations between Jesus and Jewish leaders is Jesus self identification as the Son of Man It is this self identification that further ignites the already simmering conflicts and the final charge of blasphemy In the book of Acts and in the canonical Epistles we hear the early Christians accusing the Jewish leaders and people of decide but it is also in these documents that the Christian authors continue to hope for and believe that the Jewish people are still part of God s people Finally Evans reminds readers that according to the authors of the New Testament it was always God s plan to send Jesus to die for the sins of his people and the world This new analysis is intended to inspire both Christians and Jewish people of the twenty first century to reevaluate how they respond to each other

*In the Shadow of the Cross* Leon Shaskolsky Sheleff,2004 In the Shadow of the Cross examines the historical and theological relationship between Judaism and Christianity and puts forward a new theory as to the psychological roots of anti Semitism Rather than seeing the Oedipal Complex as the pivotal impulse behind the persecution of the Jews Professor Sheleff proposes that the Rustum Complex provides a better explanation He illustrates his theory with an in depth comparison of the central events of the Old and New Testaments the Akedah God s command to Abraham to sacrifice his son Isaac and the Crucifixion God s decision to sacrifice his own son Jesus

Antisemitism Susan Sarah Cohen,1987

*Judaism* Hans Küng,1995-04 Swiss German theologian Kung planned this massive synthesis of Christian history and systematic theology as a sequel to his *On Being Christian* 1976 and as a companion to *Judaism Crossroad* 1992 Ever the Catholic Church s faithful critic Kung displays a dazzling breadth of scholarship Professor of ecumenical theology at the University of Tübingen he bases his approach on five historical paradigm shifts Jewish apocalyptic Christianity early church ecumenism the Roman system in the medieval papal church the Reformation and modern democracy He notes dominant influences in each presenting his convictions on the essence of Christianity and moving toward a polycentrism where Orthodox Catholic and evangelical traditions are not mutually exclusive Over 30 diagrams and many stimulating questions for the future sidebars are included Not all readers will accept the views of this Vatican II peritus nor did the Vatican in 1973 But the work is a remarkable achievement for a church always in need of reform and reformers Recommended for all theology collections
