## **The Crossman Diaries Selections From The Diaries Of A Cabinet Minister 1964 197:**

**The Crossman Diaries** Richard Howard Stafford Crossman,1979      *Nostalgia and the post-war Labour Party* Richard Jobson,2018-01-08 This book examines the impact that nostalgia has had on the Labour Party's political development since 1951 It argues that nostalgia has defined Labour's identity and determined the party's trajectory Nostalgia has hindered policy discussion determined the form and parameters of party modernisation shaped internal conflict and cohesion and made it difficult for the party to adjust to socioeconomic changes It has frequently left the party out of touch with the modern world In this way this study offers an assessment of Labour's failures to adapt to the changing nature of post war Britain and will be of interest to both students and academics and to those with a more general interest in Labour's history and politics

*The Diaries of a Cabinet Minister: Lord President of the Council and Leader of the House of Commons, 1966-1968* Richard Howard Stafford Crossman,1977      [The Diaries of a Cabinet Minister: Lord President of the Council and Leader of the House of Commons, 1966-68](#) Richard Howard Stafford Crossman,1975      [The Diaries of a Cabinet Minister: 1964-1966](#) Richard Howard Stafford Crossman,1976      **British Grand Strategy in the Age of American Hegemony** William D. James,2024 Employing several historical case studies between 1940 2003 and marshalling a host of primary sources William D James argues that British politicians and officials have thought in grand strategic terms under American hegemony even if they do not realise or admit to this      [The Windsors](#) Piers Brendon,Phillip Whitehead,2000 A biography of the British royal family based on research for a TV documentary of the same name It tells the story of the House of Windsor from its foundations in 1917 to the turn of the new century Drawing on private and personal reminiscences from George V to Prince Charles the book shows how the monarchy has recreated itself down the ages It looks at the power the family had to survive crises like World War I the abdication of Edward VIII royal divorces and the death of Princess Diana There is also an examination of the role of the media and their part in creating regal matriachs like Queen Mary and the Queen Mother to the creation of Princess Diana as a popular icon      [Library of Congress Catalogs](#) Library of Congress,1980      *Subject Catalog* Library of Congress,1980      **"The Germans Hold the Key"** Hartmut Philippe,2007      [Contemporary European History](#) ,2003      **The Official History of the Cabinet Secretaries** Ian Beesley,2016-12-01 This book is the official history of British Cabinet Secretaries the most senior civil servants in UK government from the post war period up to 2002 In December 1916 Maurice Hankey sat at the Cabinet table to take the first official record of Cabinet decisions Prior to this there had been no formal Cabinet agenda and no record of Cabinet decisions Using authoritative government papers some of which have not yet been released for public scrutiny this book tells the story of Hankey's post war successors as they advised British Prime Ministers and recorded Cabinet's crucial decisions as the country struggled through the exhaustion that followed World War II grappled with a weak economy that could not support its world ambitions saw the end of the post war economic and social consensus and faced the 9 11 attack on the Twin Towers symbol of Western dominance It looks at events

through the eyes of politically neutral senior civil servants the mandarins of Britain It shows how the dramatic foreshortening of timescales and global news have complicated the working lives of those who daily face the deluge of potentially destabilising events the skills required to see dangers and opportunities around corners when to calm things down and when to accelerate action why secrecy is endemic when government comes close to losing control or when political ambition threatens self destruction This book will be of great interest to students of British politics British history and British government

**Harold Wilson** Nick Thomas-Symonds, 2022-09-01 Harold Wilson is the only post war leader of any party to serve as Britain's Prime Minister on two separate occasions In total he won four General Elections spending nearly eight years in Downing Street Half a century later he is still unbeaten Labour's greatest ever election winner How did he do it and at what cost Critics then and now have painted him as an opportunistic political calculator even as a Soviet secret agent In this powerful new portrait drawing on previously unavailable sources and first hand parliamentary insight acclaimed biographer Nick Thomas Symonds reveals a more complex figure Wilson was a new kind of politician but in his own way this media savvy harbinger of modernity was also a deeply traditional man whose actions often suggest nothing less than a spiritual mission In an intriguing paradox Wilson influenced by the distinctively democratic faith of his Yorkshire boyhood united a fractured Labour Party ushering in the cultural and social changes of the swinging sixties His was the government to decriminalise homosexuality legalise abortion and abolish capital punishment With a brilliant mind sure footed political moves and a feel for public opinion he was a survivor who over and over again emerged from desperate crises even perhaps conspiracies to lead his party to victory It is time at last to learn his secrets

*Roy Jenkins* John Campbell, 2014-03-27 Shortlisted for the 2014 Samuel Johnson Prize Shortlisted for the 2014 Costa Biography Award Longlisted for the 2015 Orwell Prize Winner of the 2014 Political Book Awards Political Biography of the Year Roy Jenkins was probably the best Prime Minister Britain never had But though he never reached 10 Downing Street he left a more enduring mark on British society than most of those who did As a radical Home Secretary in the 1960s he drove through the decriminalisation of homosexuality and the legalisation of abortion An early and consistent advocate of European unity he played a decisive role in achieving British membership first of the Common Market and then of the European Union Then in 1981 when both the Conservative and Labour parties had moved sharply to the right and left respectively he founded the centrist Social Democratic Party SDP which ultimately paved the way for Tony Blair's creation of New Labour On top of all this Jenkins was a compulsive writer whose twenty three books included best selling biographies of Asquith Gladstone and Churchill He was the embodiment of the liberal establishment with a genius for friendship who knew and cultivated everyone who mattered in the overlapping worlds of politics literature diplomacy and academia His biography is the story of an exceptionally well filled and well rounded life

**The Spectator**, 1975 A weekly review of politics literature theology and art **The Crossman diaries** Anthony HOWARD, 1979 Prime Ministers and the Rule Book Amy Baker, 2000 This is the story of the Ministerial

Code the secret Cabinet document previously known as Questions of Procedure for Ministers This code acts as a formal job description for Ministers and they ignore it at their peril     *A Supplement to the Oxford English Dictionary* R. W. Burchfield, 1972 These volumes replace the 1933 Supplement to the OED The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary that is between 1884 when the first fascicle of the letter A was published and 1928 when the final section of the Dictionary appeared together with accessions to the English language in Britain and abroad from 1928 to the present day Nearly all the material in the 1933 Supplement has been retained here though in revised form Preface     **Arts & Humanities Citation Index** ,1979     The Economist ,1964
