Hicks, Greg McKinzie, 2020-06-16 Jesus said Go and make disciples So what exactly are we doing Western churches face a difficult future marked by numerical decline and evident signs of shrinking cultural influence But Discipleship in Community wisely asks the church to go back to basics What does it mean to follow Jesus What does a life of discipleship look like Trusted scholars Mark Powell John Mark Hicks and Greg McKinzie invite you to consider how good theology can lead to better more intentional discipleship In Discipleship in Community you will learn how the language of Trinity matters to everyday disciples how God's plan and mission is unfolding and how as disciples we can participate in that mission how the Bible is more than a book of facts and how it guides us into a relationship with God how baptism and the Lord's Supper allow us to experience God's saving power and how local churches can encourage intentional discipleship

The Churches of Christ in the Twentieth Century David Edwin Harrell, 2000 Although some disagreements affected only the ties between congregations others led to the creation of three distinct groups calling themselves Churches of Christ identified by their sociological and theological positions
