The Copycat Wendy McLeod MacKnight, 2020-03-10 A fun and fast paced romp School Library Journal Ali has always acted like a copycat to make friends but when she unexpectedly inherits the ability to change her appearance at will fitting in seems impossible Luckily with the help of her family new friends and a touch of magic Ali might just survive middle school after all Ali and her parents have moved at least once a year for as long as Ali can remember She s attended six different schools lived in dozens of apartments and never really felt at home anywhere But Ali s parents say living in Saint John New Brunswick will be different They ve moved in with Ali s great grandmother a lively ninety nine year old with a quirky old house and room for all of them Ali wants to believe it will be their last move but everything seems too perfect to be true To Ali s surprise things are different this time but not in the way she d hoped She s inherited the Sloane family power the ability to change her appearance into any living thing Ali is a Copycat Literally And being the new kid at school is hard enough without worrying about turning into your teacher Luckily Ali s new friends are eager to help But as Ali soon learns being a Copycat is no substitute for being yourself *The Copycat* is a magical middle grade read for fans of Diana Wynne Jones by the author of *The Frame Up*

The Copycat Effect Loren Coleman, 2004-09-14 VIOLENCE BEGETS VIOLENCE BEGETS VIOLENCE A disturbed student shoots up his classroom and suddenly a wave of mass murder is sweeping through our nation s schools A young child is taken from her home and for months afterward child abductions are frantically reported on an almost daily basis A surfer is attacked by a shark and the public spends an entire summer fearing an onslaught of the deadly underwater predators Why do the terrible events we see in the media always seem to lead to more of the same Noted author and cultural behaviorist Loren Coleman explores how the media s over saturated coverage of murders suicides and deadly tragedies makes an impact on our society This is *The Copycat Effect* the phenomenon through which violent events spawn violence of the same type From recognizing the emerging patterns of the Copycat Effect to how we can deal with and counteract its consequences as individuals and as a culture Loren Coleman has uncovered a tragic flaw of the information age a flaw which must be corrected before the next ripples of violence spread
