Wilkerson, 2008 Go to New York City and help those boys When David Wilkerson heard those words in his heart late one night as he glanced at a picture in Life magazine he was dumbfounded The boys in question were members of a violent gang and on trial for murder He was a country preacher settled comfortably in a little mountain church in Pennsylvania What could God possibly expect him to accomplish in New York City of all places But the thought would not let him go and his life and the lives of countless despairing teens were changed forever on account of it This is the story of the founding of Teen Challenge an inner city ministry that today maintains residential and crisis counseling centers around the globe But even more it is a story of how the most unlikely people can hear and follow God's call to do the impossible From publisher description *It Is Finished* David Wilkerson, 2013-04-01 Founder of Teen Challenge Shows How to Overcome Persistent Sins This is David Wilkerson's capstone teaching poured out from a heart that discovered the power God has given his people to triumph over sin Through Wilkerson's expert ability to blend teaching with personal application he shows that the key to defeating life controlling habits is found in one thing the new covenant God enacted with his people In today's era of pop psychology most Christians battle temptation and sin through self help techniques or gritty self will Even Wilkerson through decades of ministry that led hundreds of thousands to salvation and deliverance struggled to know true peace as he battled his own besetting sins Determined to find victory Wilkerson came to grasp the stunning reality that the vast love of God provides the spiritual resources believers need to obey his every command Gathered from some of his most prominent sermons this is one of Wilkerson's most powerful teachings one that will redeem countless lives into the life giving experience of purity Cruz Y El Puma David Wilkerson, 1991-01-01 **GIVING HOPE AN ADDRESS** Julie Wilkerson Klose, 2018 Two Brothers One Calling and a Lasting Legacy For sixty years the faith based ministry of Teen Challenge has been bringing hope to those bound by drug and lifecontrolling addictions Since the very first Teen Challenge Center opened its doors in Brooklyn New York the ministry has grown to 1 400 Centers across 122 nations Through the doors of every Teen Challenge program there are testimonies of men and women who have walked out free because of the transforming power of Jesus Christ *Beyond 'The Cross and the Switchblade'* David Wilkerson, 1977 *The Cross and the Switchblade* Allan Hartley, 1986-01-01 **The Charismatic Movement** Charles Edwin Jones, 1995 **David Wilkerson's**

Wilkerson, 1976 God's Law and Order Aaron Griffith, 2020-11-10 Winner of a Christianity Today Book Award An incisive look at how evangelical Christians shaped and were shaped by the American criminal justice system America incarcerates on a massive scale Despite recent reforms the United States locks up large numbers of people disproportionately poor and nonwhite for long periods and offers little opportunity for restoration Aaron Griffith reveals a key component in the origins of American mass incarceration evangelical Christianity Evangelicals in the postwar era made crime concern a major religious issue and found new platforms for shaping public life through punitive politics Religious leaders like Billy Graham and David Wilkerson mobilized fears of lawbreaking and concern for offenders to sharpen appeals for Christian conversion setting the stage for evangelicals who began advocating tough on crime politics in the 1960s Building on religious campaigns for public safety earlier in the twentieth century some preachers and politicians pushed for law and order urging support for harsh sentences and expanded policing Other evangelicals saw crime as a missionary opportunity launching innovative ministries that reshaped the practice of religion in prisons From the 1980s on evangelicals were instrumental in popularizing criminal justice reform making it a central cause in the compassionate conservative movement At every stage in their work evangelicals framed their efforts as colorblind which only masked racial inequality in incarceration and delayed real change Today evangelicals play an ambiguous role in reform pressing for reduced imprisonment while backing law and order politicians God's Law and Order shows that we cannot understand the criminal justice system without accounting for evangelicalism's impact on its historical development Filmfacts, 1972 **Official Gazette of the United States Patent Office** United States.
