**Outlook** ,2008-03-24      [Food & Freedom](#) Carlo Petrini, 2015-09-01 Inspiring the global fight to revolutionize the way food is grown distributed and eaten In the almost thirty years since Carlo Petrini began the Slow Food organization he has been constantly engaged in the fight for food justice Beginning first in his native Italy and then expanding all over the world the movement has created a powerful force for change The essential argument of this book is that food is an avenue towards freedom This uplifting and humanistic message is straightforward if people can feed themselves they can be free In other words if people can regain control over access to their food how it is produced by whom and how it is distributed then that can lead to a greater empowerment in all channels of life Whether in the Amazon jungle talking with tribal elders or on rice paddies in rural Indonesia the author engages the reader through the excitement of his journeys and the passion of his mission Here Petrini reports upon some of the success stories that he has observed firsthand From Chiapas to Puglia Morocco to North Carolina he has witnessed the many ways different peoples have dealt with food problems This book allows us to learn from these case studies and lays out models for the future      [Anthropologica](#) ,2004      *Slow Food Revolution* Carlo Petrini, Gigi Padovani, 2006 Founded in Italy in 1986 by charismatic Italian gourmand Carlo Petrini Slow Food has grown into a phenomenally successful movement against the uniformity and compromised quality of fast food and supermarket chains With nearly 85 000 members in 45 countries around the world Slow Food has developed from a small
