## **Small Churches Of Canada:**

**Small Churches of Canada** Kim Ondaatje, 1982      **Canada Today**, 1982      **Yearbook of American & Canadian Churches 2012** Eileen W. Lindner, 2012      **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has

expanded immeasurably since the time that one mind could encompass all that was known. Yet now Canada's finest scientists, academics and specialists have distilled their knowledge of our country between the covers of one volume. The result is a book for every Canadian who values learning and values Canada. **The Encyclopedia of Christianity, Volume 1 (A-D)** Erwin Fahlbusch, Jan Lochman, John Mbiti, Jaroslav Pelikan, Lukas Vischer, 2025-04-14. A major intellectual resource. Jaroslav Pelikan from the foreword: The multiple award-winning Encyclopedia of Christianity (EC), copublished by Brill and Eerdmans, is a monumental five-volume work presenting the history and current state of the Christian faith in its rich spiritual and theological diversity around the world. Volume 1 (A-D) contains 465 articles featuring articles on all but the smallest countries of the world, including the former communist nations that have gained independence since 1989, the latest statistical information from David B. Barrett on the religious affiliation and ecclesiastical breakdown of each country and continent, articles on doctrines, denominations and social and ethical issues in relation to the churches, biographical articles on prominent figures through church history. The Encyclopedia of Christianity is also available online. Canadian Saturday Night, 1952. **Cyclopædia of Methodism in Canada** George Henry Cornish, 1881. **Yearbook of American & Canadian Churches, 2007** Eileen W. Lindner, 2007. **The Encyclopedia of Christianity** Erwin Fahlbusch, Geoffrey William Bromiley, 1999. This multifaceted and up-to-date encyclopedia is sure to be of interest to pastors and church workers of all confessions, equally so to students, scholars and researchers around the world who are interested in any aspect of Christianity or religion in general. The first volume contains 465 articles that address a comprehensive list of topics.

**Report on Canadian Archives and on the System of Keeping Public Records** Public Archives of Canada, 1892. *The Canadian Methodist Magazine*, 1878. **Report on Canadian Archives** Public Archives of Canada, 1892. Canadian Almanac and Directory 2021 Grey House Canada, 2020-12. The Canadian Almanac Directory is the most complete source of Canadian information available: cultural, professional and financial institutions, legislative, governmental, judicial and educational organizations. Canada's authoritative sourcebook for almost 160 years, the Canadian Almanac Directory gives you access to almost 100,000 names and addresses of contacts throughout the network of Canadian institutions. **The Canadian Album** William Cochrane, 1894. *The Covenant Church in Canada, 1904-1994* Wendell Barry Dorian Anderson, Evangelical Covenant Church of Canada, 1995. **Yearbook of American and Canadian Churches 2003** Eileen W. Lindner, 2003-03. Provides a wealth of information about North American churches. The Yearbook of American and Canadian Churches 2003 is the 18th edition of an annual compilation of key information about denominations, churches, clergy, seminaries and other religious organizations in the United States and Canada. The volume provides membership and financial statistics, descriptions of denominations, contact information for denominational offices, historical data, a directory of theological schools and ecumenical agencies, a calendar of religious holidays and festivals, and a listing of religious periodicals. The Yearbook is published with the National Council of Churches of Christ in the U.S.A. The editorial focus for this

volume is Megachurches How Do They Count As in earlier volumes the major portion of the book consists of statistical information names and addresses and brief descriptive paragraphs on various organizations The 18th edition of the Yearbook again includes both a print and an online component The database features full text search capability with additional search queries and will be updated periodically throughout the year     Yearbook of American and Canadian Churches, 1992  
Kenneth B. Bedell,1992-07     *Yearbook of American and Canadian Churches 1997* Kenneth B. Bedell,1997-02     **Christian**  
**Work** ,1871     **Yearbook of American & Canadian Churches, 2008** Eileen W. Lindner,2008
