mysterious ways but Anna never expected to find herself trapped in a cat's body. Her trial in the mortal realm has left her stuck in the form of a silver cat, but luck is on her side when the handsome Lord Eastwei adopts her as his pet. She may not have been the best goddess, but she intends to be a loyal pet to the unusually gentle lord. Intentions and outcomes, however, don't always agree, and she finds herself in as much trouble as a feline as in her goddess form, especially when she confronts a terrible foe that invades the heavenly realm. Gravely wounded and with no other choice left to her, Anna reluctantly leaves the side of her beloved dragon god and is led by Arian to the immortal realm of the bear gods. Arian's clan welcomes them with open arms, and the meadows and forests become a refuge where Anna can tend to her wounds without worrying about judgment from above. That turns out to be a cold comfort when her thoughts wander back to her former master, even as he is led to believe that his beloved pet was killed in the attack. Will she ever see the stoic dragon god again, or will she while away millions of years in loneliness?

The Dragon's Wife: A Dragon Shifter Romance (Falling For a Dragon Book 4) Mac Flynn, 2023-05-02 Eager to learn how to control her powers, Kate and Ros venture into the kingdom of his family. There they stumble upon a mystery lurking in the dark waters of the realm. However, trouble waylays them on their journey to the capital as they find themselves part of a hunting party after a notorious Pactus. Their friend Brother Collins is grievously and magically injured in the fray, and only through the help of Ros' princely brother do they manage to make it out in one piece. Mostly, their travels take them across the country where they find themselves as guests to the court's seer, an old woman who once predicted that Ros would kill the very brother who now travels with them. She warns them to be wary of their travels ahead and sets them off with their friend healed but still carrying the curse. At the capital, they part ways with the elder prince and go in search of answers to their many questions. They discover that they're not the only ones asking questions, and in their investigation, they uproot a deadly plot against the city. Together, Kate and Ros must stop them all the while fighting against friend, foe, and fate.

The Bewitching Hour (Death's Dragon Book 1) Mac Flynn, 2023-10-31 One wrong turn on a deserted forest road leads Adelaide to a fantastical new world of wondrous magic and horrifying shadows. Her unwilling guide on her journey to understanding her situation is the handsome Duncan, the guardian of the realm and a recluse pushed into a position of leadership. Trouble starts the moment she stumbles into the woodland realm. Her first acquaintance turns out to be a troll, and the legends of their prickly nature are understated as it tries to kill her. Her rescuer is none other than the silent Duncan, a man who wields a scythe and a heavy atmosphere of intrigue. Complications force him to lead her to the heart of the realm, a pentagram which stretches out over ten miles where trouble brews. Literally, a witch resides at one of the five points, and the blame for the troll trouble falls on her shoulders. As tensions rise between the two factions, Duncan attempts to mitigate the disaster, only for things to get worse. Knowing she's trapped in the dilemma, Adelaide realizes she needs to lend a helping hand to the situation before they're swamped by even greater danger. She only hopes she can broker peace before they're overrun by monsters.
