Frey, Dennis Gouran, Marshall Scott Poole, 1999-07-08 The Handbook of Group Communication Theory and Research establishes a central resource for the field documenting and synthesizing the work done in group communication's 50 year history With contributions from the most experienced and respected scholars in the field the editors Lawrence R Frey Dennis S Gouran and Marshall Scott Poole present an overview of group communication study and examine a variety of theoretical positions and methodological practices The volume is divided into six broad areas of communication scholarship Foundations of group communication theory and research Individuals and group communication Task and relational group communication Group communication processes Group communication facilitation Group communication contexts and applications The sections serve as a crossroads where various paths pursued in each area meet summarize and suggest new maps and roads that need to be followed in the future Offering a comprehensive history of group communication theory and research and establishing new conceptual perspectives and research agendas for future group communication scholars this important resource will be an unrivaled tool for scholars researchers educators practitioners and students alike

Critical

Theory and The English Teacher Nick Peim, 2002-03-11 In this radical exploration Nick Peim himself a practising English teacher shows how teachers can use critical theory to bring students' own experience back into the subject The author explains how the insights of discourse theory psychoanalysis semiotics and deconstruction can be used on the material of modern culture as well as on and in oral work The book is written in a style which even those with no background in critical

theory will find approachable and arguments are backed up with practical classroom examples **Theory and State of the Art of Small-group Methods of Instruction** Joseph A. Olmstead,1970 **Visual Displays in Qualitative and Mixed Method Research** Elizabeth G. Creamer,2024-07-02 This boundary spanning textbook explores diverse ways that visual display can advance understanding of complex social phenomenon in applied fields in the social and human sciences It provides a window into the latest advances in mixed methods research MMR by investigating how integrative tables and figures have been creatively adapted in diverse contemporary contexts where qualitative methods are prominent The book affirms that the usefulness of visual displays is not restricted to reporting it extends to helping investigators conceptualize a research problem embed quality in research design during planning advance multi dimensional sampling to extend analysis and as a tool to highlight integration during reporting Chapters feature examples that demonstrate how different shapes and textual devices that are available through basic word processing software can help an investigator to think more complexly about the multi dimensionality or temporality of a construct process or phenomenon Tailored for emerging scholars this comprehensive resource book will prove useful in seminars and workshops designed to assist students in writing a research proposal It is it is an invaluable textbook for a new generation of hybrid research methods courses that combine qualitative and mixed methods in the social sciences education and healthcare **Small Group Decision Making** B. Aubrey Fisher,1980

Working in Groups Isa N. Engleberg,Dianna Wynn,2000 Working in Groups provides students with strategies for using theory and contemporary research findings to enhance group communication group productivity and member satisfaction

Effective Small Group Communication in Theory and Practice Mary Ann Renz,John B. Greg,2000 Effective Small Group Communication in Theory and Practice combines discussions of theory with practical applications in order to ease and enhance reader comprehension **Communicating in Small Groups** Steven A. Beebe,John T. Masterson,1994 **Theory and method** Gardner Lindzey,1954 **Resources in Education** ,1973 **Research in Education** ,1973 **Instructor's Manual to Accompany Discussion and Group Methods: Theory and Practice** Ernest G.
