House can be anywhere an old gas station a barbershop or a nearby bench at the park anywhere that people gather to talk about what is happening to them or the people around them In places like this there is usually one person who listens closely and then tells the stories At The Smoke House the storyteller will sometimes be Pat the writer in these tales or sometimes be the owner Either way each individual who comes here can tell his or her story or maybe someone else's story without fear In this series of stories a man comes to Pat at The Smoke House to tell him of his experiences in making quilts for some people he knows and for others he will never meet In reading these stories the reader discovers a Love that each of us seeks to
