Teaching Story:

How to Teach Story Writing at Key Stage 1 Pie Corbett, 2017-07-18 How to Teach Story Writing at Key Stage 1 is a practical manual for teachers to be used directly in the classroom. The book begins with a series of language games designed to warm up creativity and strengthen the imagination. This is followed by a series of creative story workshops based on the writer's own experience both as a teacher and poet.

Teacher's Stories, Teacher's Lives Carola Conle, 2006 In this book we demonstrate a mode of teacher education that is practical in a non technical sense and relies on Dewey's notion of curriculum as the reconstruction of experience. We present a curriculum that emerged through collaborative self reflection and seeks to reconstruct personal histories of schooling. As four former preservice teachers and their instructor we engaged in jointly constructed autobiographical inquiry in order to generate data on our own past and on our current histories of teaching and learning. We wanted to illuminate parts of our lives in schools that until now belonged to our normal and taken for granted past. We did this in order to enjoy certain degrees of awareness and choice as to which of our living stories to reinforce and which to let run out in our classrooms today.

The book also contains background information for the teacher lesson plans and resources sheets. Planning tools and ideas for differentiation are included.
