The Community Called Church Juan Luis Segundo, 1980 **The Influence of the Church on the Local Community** Abraham G. Ndung'u, 2021-01-05 The church is called to be the agency through which God is not only known but through which his kingdom is also advanced This book therefore is an attempt to examine the church's influence on communities through social justice practices as part of advancing the gospel of the kingdom of God The book brings out results of a study about a congregation's significant impact on a local community through varied social justice programs The book also provides relevant recommendations on how such initiatives can be improved for a more effective kingdom driven ministry to local communities It is hoped that the example of J Jireh Ministry Church provides a case worthy of emulation by other churches congregations and similar faith based community organizations for ministering to social justice needs at the local level *Inhabiting the Church* Jon R. Stock, Tim Otto, Jonathan Wilson-Hartgrove, 2006-11-01 If the church is more than just a building what could it mean to live in it to inhabit it as a way of life From their location in new monastic communities Otto Stock and Wilson Hartgrove ask what the church can learn from St Benedict's vows of conversion obedience and stability about how to live as the people of God in the world In storytelling and serious engagement with Scripture old wisdom breathes life into a new monasticism But like all monastic wisdom these reflections are not just for monks They speak directly to the challenge of being the church in America today and the good news Christ offers for the whole world **I Love the Church, I Hate the Church** Robert R. LaRoche, 2022-02-03 Is it possible to both love and hate the church at one and the same time Bob LaRoche has had a lot of experience with different churches Raised a Roman Catholic he was ordained a Permanent Deacon in that church After a period of intense soul searching he left the Catholic Church and embarked on a career in ordained Protestant ministry serving congregations in both the United Church of Christ and the Evangelical Lutheran Church in America Through most of the same time he also worked in the field of education first as a teacher and for most of his career as a counselor Balancing personal experience with historical and theological background and reflection *I Love the Church I Hate the Church* combines factual information theological analysis and deep seated personal feelings all inviting the reader to take a look at the church perhaps in ways that she or he never has before *The Beating of Great Wings* Bernard J. Lee, 2004 A classic in the making this groundbreaking book is a thought provoking must have resource for all religious readers It will no doubt lead to challenging and invigorating conversations about the role of religious priests brothers and sisters today Twenty Third Publications **Feasting on the Word: Year A, Volume 4: Preaching the Revised Common Lectionary** David L.
