The world we live in is an unstable one. From natural disasters such as earthquakes hurricanes and floods of biblical proportions to concerns about the economic downturn and government shutdown the hits just keep on coming. At the same time the power grid is incredibly fragile. Our dependency on widely distributed long distance systems for power medicine and food makes our society susceptible to attack whether by foreign or domestic enemies or the weather. No matter the concern the solutions are the same. Scott Hunt the owner of Practical Preppers and an experienced engineer homesteader and pastor offers readers a complete and detailed guide to sustainable living. With *The Practical Preppers Complete Guide to Disaster Preparedness* anyone can learn how to secure a water source even in an urban area. Grow and preserve food. Set up an alternative energy supply. Maintain a comfortable shelter including alternative cooking and sanitation methods during a long power outage. Bug out what to include in your bug out bag and how to leave. Prepare for
