The Condition Of Muzak:

The Condition of Muzak Michael Moorcock, 1977 **The Condition of Muzak. A Jerry Cornelius Novel...** Michael Moorcock, 1977 **Michael Moorcock** Mark Scroggins, 2016-01-05 Prolific popular and critically acclaimed Michael Moorcock is the most important British fantasy author of his generation His Elric of Melniboné is an iconic figure for millions of fans but Moorcock has also been a pioneer in science fiction and historical fiction He was hailed as the central figure of the New Wave in science fiction and has won numerous awards for his fantasy and SF as well as his mainstream writing This first full length critical look at Moorcock's career from the early 1960s to the present explores the author's fictional multiverse his fantasy tales of the Eternal Champion his experimental Jerry Cornelius novels the hilarious science fiction satire of his End of Time books and his complex meditations on 20th century history in Mother London and the Colonel Pyat tetralogy **The Condition of Muzak** Michael Moorcock, 2016-05-03 Civilization as we know it has been annihilated The decay and chaos of the multiverse have left Europe in a surreal yet ever fashionable mess Jerry Cornelius finds himself in an increasingly futile series of guises part of a cast of characters dancing the Entropy Tango towards oblivion Will the legendary Cornelius ever be united with his true beloved his sister Catherine And will balance ever be restored to devastated London Winner of the Guardian Fiction Prize The Condition of Muzak is the fourth climactic novel in the Cornelius Quartet But this is by no means the last we will see of Jerry Cornelius an indelible spirit of counter culture who continues to inspire writers and artists to this day *Chinese Stories of Drug Addiction* Guy Ramsay, 2015-12-22 Addiction to illicit drugs is a pressing social concern across greater China where there are likely several million drug addicts at present This research breaks new ground by examining Chinese people's stories of drug addiction Chinese Stories of Drug Addiction systematically evaluates how drug addiction is represented and constructed in a series of contemporary life stories and filmic stories from mainland China Taiwan and Hong Kong These stories recount experiences leading up to and during drug addiction as well as experiences during drug rehabilitation and recovery Through analysis of these contemporary life stories and filmic stories the book presents a comprehensive picture of how Chinese people from both inside the experience of drug addiction and outside of it make sense of a social practice that is deemed to be highly transgressive in Chinese culture It employs a blended discourse analytic and narrative analytic approach to show how salient cultural political and institutional discourses shape these Chinese stories and experiences Complementing existing humanities research which documents the historical narrative of drug addiction in China at the expense of the contemporary narrative the book also provides health and allied professionals with a rich insight into how Chinese people from different geographical locations and walks of life make sense of the experience of drug addiction Moving beyond historical narrative to examine contemporary stories Chinese Stories of Drug Addiction offers a valuable contribution to the fields of Chinese studies and personal health and wellbeing as well as being of practical use to health professionals *Reports of the Tax Court of the United States* United States.
