## **The Confession Sight Unseen:**

*The Confession; Sight Unseen* Mary Roberts Rinehart, 2002-02 Elderly Miss Emily Benton was a lady in every sense of the word and the last person on earth anyone would ever suspect of wrongdoing. She had graciously allowed Agnes Blakiston and her servant Maggie to occupy the Benton home for the summer rent free but the women soon realized that there was something terribly wrong. *Sight Unseen* Mary Roberts Rinehart, 2022-09-16 In *Sight Unseen* Mary Roberts Rinehart weaves an intricate tale that straddles the genres of mystery and psychological thriller. Hallmark characteristics of early 20th century detective fiction. The narrative follows the protagonist, a perceptive yet disoriented heroine, navigating through themes of isolation, fear, and uncovering hidden truths amidst a backdrop of a shadowy mansion. Rinehart's deft use of vivid imagery and suspenseful dialogue draws readers into an atmospheric experience, highlighting her unique ability to build tension and intrigue reflecting the literary context of her time where the detective genre was evolving into more complex psychological realms. Mary Roberts Rinehart often heralded as the American Agatha Christie, embraced her knack for storytelling from a young age influenced by her rich background in journalism and theater. Rinehart's personal experiences, including her time spent in the bustling surroundings of World War I and her subsequent challenges in life, enriched her storytelling, enabling her to create formidable female characters and explorations of the human psyche that resonate deeply with readers. *Sight Unseen* is a compelling read for anyone who appreciates finely crafted narratives that explore both the depths of fear and the resilience of the human spirit. Rinehart's masterful blend of suspense and intricate character development makes this novel an essential addition to the library of mystery enthusiasts and a profound commentary on human vulnerability.

**Sight Unseen and the Confession (Classic Reprint)** Mary Roberts Rinehart, 2015-06-28 Excerpt from *Sight Unseen* and the *Confession*. The rather extraordinary story revealed by the experiments of the Neighborhood Club have been until now a matter only of private record. But it seems to me as an active participant in the investigations that they should be given to the public not so much for what they will add to the existing data on psychical research for from that angle they were not unusual but as yet another exploration into that still uncharted territory the human mind. The psychoanalysts have taught us something about the individual mind. They have their own pattern of complexes and primal instincts of the unconscious which is a sort of bonded warehouse from which we clandestinely withdraw our stored thoughts and impressions.
