**The Confucian Vision** William McNaughton, 1974      **The President's Report to the Board of Regents for the Academic Year ... Financial Statement for the Fiscal Year** University of Michigan, 1974      The Sacred Books of China, 1976      **Review Journal of Philosophy & Social Science**, 1984      *World Philosophies* Ninian Smart, 1999

World Philosophies is a comprehensive survey of the world's philosophical and religious traditions by one of our foremost religious thinkers. Ninian Smart discusses notable figures such as Plato and Kierkegaard in the West, the Buddha and Mao Zedong in Asia, Tempels and Knibanga in Africa, and Rodo and Royce in America. Covering a wide range of topics including Indian ideas of testimony and evidence, Chinese notions of moral development, Buddhist concepts of cosmology, and Latin American critiques of materialism, Smart sheds new light on the astonishing diversity of philosophies that have developed throughout history.

**Rhetorical Interaction in 1 Corinthians 8 and 10** Yeo, 2021-09-06. Rhetorical Interaction in 1 Corinthians 8 and 10 is a formal analysis of Paul's rhetorical interaction with the Corinthians over the issues of participation in the cultic meal (1 Cor 10:1-22) and the eating of idol food (1 Cor 8:1-13; 10:23-11:1). The thesis is that Paul's theology and rhetoric are predicated on knowledge and love. Major portions of the book employ rhetorical, sociological, archaeological, and historical critical approaches to examine the triangular interaction between Paul, the Corinthians, and the biblical texts, paying particular attention to the complex configuration of the Corinthian congregation, including the influence of proto-Gnosticism, as well as the ways Paul responded to the shifting situation and different issues. The two chapters on rhetorical hermeneutical theory and criticism are especially creative, as the author suggests a Chinese hermeneutic for cross-cultural dialogues, the issue of ancestor worship being a specific example.
