Eric H. Boehm

The Conservative Party 1918-197:

Suffrage Outside Suffragism M. Boussahba-Bravard, 2007-02-28 This collection of essays systematically explores how a sample of political groupings not founded on suffrage reacted and accommodated the issue of suffrage within their official discourses and structures. The volume leads to the heart and core of suffragism while examining the dynamics and

versatilities of the Edwardian political fabric **The Politics of Decline** Jim Tomlinson, 2014-06-11 The key aim of this new book is to show how economic decline has always been a highly politicised concept forming a central part of post war political argument. In doing so Tomlinson reveals how the term has been used in such ways as to advance particular political causes

Reappraising Republican China Frederic E. Wakeman, Richard L. Edmonds, 2000 This book testifies to the accomplishments of Republican studies during the 1980s and early 1990s. Reviewing many aspects of contemporary research it covers the transition from the late Qing dynasty to the Republic agricultural development from the mid 1890s to 1937 the political aspects of twentieth century Chinese urban history the problems of capacity building for Republican era

governments political party organization finance and military matters Shanghai's modernization process the politics of the Kuomintang during the Nanjing decade and its relationship with fascism and Republican era diplomacy **The History of South Africa** Roger B. Beck, 2013-11-12 South Africa's history stretches back to the beginnings of human existence. This book provides an overview to South Africa's multiple millennia of history covering its long and often troubled past to its current status in the 21st century. A newly revised and thoroughly updated version of a popular Greenwood publication The History of South Africa Second Edition provides readers with readable accessible information on the nation's prehistory early history and colonial past its unfortunate apartheid era as well as new coverage of South Africa's more recent events in the 20th and 21st centuries. This work presents unique extended coverage of South Africa's prehistory beginning 3.5 million years ago and incorporating information gleaned from the most recent archaeological finds. The text reflects the most current

historiography on African settlement and life before the arrival of Europeans accurately describes the colonial era as a period of European hegemony and intense African resistance and discusses in great detail the apartheid years and the events leading up to majority rule in 1994. This second edition also includes an updated timeline new biographical sketches of notable people and supplies recent print and electronic resources in the bibliography **Visions of the Press in Britain, 1850-1950** Mark Hampton, 2004 Hampton surveys a diversity of sources to demonstrate that British theories of the press were intimately tied to definitions of the public and the emergence of mass democracy in the late nineteenth and early

twentieth centuries **Black Women and Politics in New York City** Julie A. Gallagher, 2012-06-15 An essential contribution to twentieth century political history Black Women and Politics in New York City documents African American women in New York City fighting for justice civil rights and equality in the turbulent world of formal politics from the suffrage and women's rights movements to the feminist era of the 1970s. Historian and human rights activist Julie A

Gallagher deftly examines how race gender and the structure of the state itself shape outcomes and exposes the layers of power and discrimination at work in American society She combines her analysis with a look at the career of Shirley Chisholm the first black woman elected to Congress and the first to run for president on a national party ticket In so doing she rewrites twentieth century women s history and the dominant narrative arcs of feminist history that hitherto ignored African American women and their accomplishments *Britain in the Century of Total War* Arthur Marwick,1968 Offers a general explanation of how war in itself brutalizing and destructive can assist social change Participation in war brings new status to depressed classes within the community Provides a comprehensive social history of modern Britain *The Conservative Leadership, 1832-1932* Donald Southgate,1974 *Conservative Party Conferences* Richard N. Kelly,1989
