The Contillion Or One Good Bull Is Worth Half The Herd:

African-Americans and the Quest for Civil Rights, 1900-1990 Sean Dennis Cashman, 1991-09 In this lavishly illustrated volume Sean Dennis Cashman surveys the history of civil rights in twentieth century America The book charts the principal course of civil rights against the dramatic backdrop of two world wars the Great Depression the affluent society of the postwar world the cultural and social agitation of the 1960s and the emergence of the new conservatism of the 1970s and 1980s Cashman describes the profound upheaval that African Americans experienced as they moved from the outright racism of the South through the Great Migration northward from 1915 and sets the contribution of African American leaders within their historical context Booker T Washington W E B Du Bois Marcus Garvey A Philip Randolph Malcolm X Martin Luther King and many others The work also describes the shift in emphasis in the movement from legal cases brought before the courts to mass protest movements and later the change in direction from civil rights to Black Power and later Pan Africanism Far more than just a history of civil rights leaders this book explains how the achievements of African American writers artists singers and athletes contributed to a wider understanding of the humanity and culture of black Americans Cashman details among others the achievements of the Harlem Renaissance the films of Paul Robeson and Marian Anderson and the works of Langston Hughes Ralph Ellison James Baldwin and Toni Morrison Written in an engaging style the text is accompanied by a wealth of illustrations some well known others in print for the first time

Icons of African American Literature Yolanda Williams Page, 2011-10-17 The 24 entries in this book provide extensive coverage of some of the most notable figures in African American literature such as Alice Walker Richard Wright and Zora Neale Hurston **Icons of African American Literature** The Black Literary World examines 24 of the most popular and culturally significant topics within African American literature's long and immensely fascinating history Each piece provide substantial in depth information much more than a typical encyclopedia entry while remaining accessible and appealing to general and younger readers Arranged alphabetically the entries cover such writers as Maya Angelou James Baldwin and August Wilson major works such as *Invisible Man* *Native Son* and *Their Eyes Were Watching God* and a range of cultural topics including the black arts movement the Harlem Renaissance and the jazz aesthetic Written by expert contributors the essays discuss the enduring significance of these topics in American history and popular culture Each entry also provides sidebars that highlight interesting information and suggestions for further reading

Black Literature Criticism Jelena O. Krstovic, 2008 Focuses on writers and works published since 1950 The majority of the authors surveyed are African American but representative African and Caribbean authors are also included *Jet*, 1971-04-08 The weekly source of African American political and entertainment news **Books by African-American Authors and Illustrators for Children and Young Adults** Helen E. Williams, 1991 Williams helps to fill a void by providing background information on the contributions of African Americans to children's and young adult literature Identifying books written and illustrated by black writers and artists her book helps to

identify those works especially appropriate for caregivers and young readers their parents teachers and other nurturers and to provide meaningful responses to questions regarding the identification or indigenous textual and graphic materials for young readers and students The contents represent numerous works published during the 20th century up to the beginning of 1990

The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity **The Lever of Riches** with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential

The Evolution of the West Indian's Image in the Afro-American Novel Melvin B. Rahming, 1986 **The Concise Oxford Companion to African American Literature** William L. Andrews, Frances Smith Foster, Trudier

Harris, 2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl* Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun* It also

incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women s clubs making it one of the most substantial guides available on the growing exciting world of African American literature African American Review ,2003

The Oxford Companion to African American Literature William L. Andrews,Frances Smith Foster,Trudier Harris,1997 This the first comprehensive one volume reference work devoted to African American literature contains much information on little known writers unavailable elsewhere The book covers all types of genre and examines unique aspects of Afro Americanism The Publishers Weekly ,1972 The Schomburg Center Guide to Black Literature Roger M. Valade,1996 Cont On a general topic such as Discrimination a brief treatment is followed by a discussion of black authors who have written scholarly and popular works on discrimination and how the topic is reflected in creative works Literary terms and genres are defined and explained in the context of black literature Additional features include a chronology of events in black history and black literary history and an essay on the Schomburg Center An index lists titles names and subjects covered in the text Booklist Jet ,1971 MultiCultural Review ,2003 **The Dictionary Catalog of the Vivian G. Harsh Collection of Afro-American History and Literature, the Chicago Public Library** Chicago Public Library,1978

African American Satire Darryl Dickson-Carr,2001 Satire s real purpose as a literary genre is to criticize through humor irony caricature and parody and ultimately to defy the status quo In African American Satire Darryl Dickson Carr provides the first book length study of African American satire and the vital role it has played In the process he investigates African American literature American literature and the history of satire Dickson Carr argues that major works by such authors as Rudolph Fisher Ishmael Reed Ralph Ellison Langston Hughes and George S Schuyler should be read primarily as satires in order to avoid misinterpretation and to gain a greater understanding of their specific meanings and the eras in which they were written He also examines the satirical rhetoric and ideological bases of complex works such as John Oliver Killens s The Cotillion and Cecil Brown s The Life and Loves of Mr Jiveass Nigger books that are currently out of print and that have received only scant critical attention since they were first published Beginning with the tradition of folk humor that originated in West Africa and was forcibly transplanted to the Americas through chattel slavery Dickson Carr focuses in each chapter on a particular period of the twentieth century in which the African American satirical novel flourished He analyzes the historical contexts surrounding African American literature and culture within discrete crucial movements starting with the Harlem Renaissance of the 1920s and ending in the present He also demonstrates how the political cultural and literary

ethos of each particular moment is manifested and contested in each text. By examining these texts closely within their historical and ideological contexts, Dickson Carr shows how African American satirical novels provide the reader of African American literature with a critique of popular ideologies seldom found in nonsatirical works. Providing a better understanding of what satire is and why it is so important for fulfilling many of the goals of African American literature, African American Satire will be an important addition to African American studies.
