Demarest,1991-05 **Highway to Holiness** Catherine (Cathee) Miles,2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God s call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Christianity Today** ,1988 Books in Print ,1991 Books in Print Supplement ,2002 *Congressional Record* United States.
