*A Faith Worth Living* Chuck Queen,2011-03-03

What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like? Aimed at a wide audience, *A Faith Worth Living* provides one portrait. Chuck Queen weaves together biblical interpretations, theological reflections, and spiritual observations drawn from stories, movies, literature, and common life experiences in his argument for an inclusive Christianity. In a simple though scholarly informed style, he addresses Christians, students of religion, and spiritual seekers. Key elements of the presentation include a transformative faith, holistic and non-dualistic God's dream for the world, kingdom theology, Jesus' nonviolent atonement, the church as a kingdom community, universal salvation, judgment, and the cosmic Christ's acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus.

### **A Thematic Access-Oriented**

**Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories, which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

**On the Way** James J. Rawls, 2018-05-29 On the Way is a book of reflections on one man's journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon's classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of faith What people are saying about On the Way James J Rawls draws on wisdom from across the ages Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith This book is a great gift and blessing The Rt Rev Barry L Beisner VII Bishop of the Episcopal Diocese of Northern California This is a wonderful book beautifully written insightful and filled with wisdom and warmth Gil

Previously published as *Pursuing God's Love and Pursuing God's Beauty*. **Books in Print**, 1991. **Luke 1** François Bovon, 2002. François Bovon's magisterial commentary on the Gospel of Luke is justly renowned for its combination of judicious historical and literary treatment of the Evangelist's context and for its theological sensitivity informed by the wealth of the Christian interpretative tradition. Luke is clearly writing history in the manner of his Hellenistic and Jewish contemporaries, but Bovon insists he remains as well a theologian of the Word of God. *Index to Book Reviews in Religion*, 1994.
