# The Comparative Study Of Political Parties

**Ferdinand Müller-Rommel, Geoffrey  
Pridham**

## **The Comparative Study Of Political Parties:**

**The Comparative Study of Political Parties** Kay Lawson,1976 **Parties, Governments and Elites** Philipp Harfst,Ina Kubbe,Thomas Poguntke,2017-04-26 Parties governments and elites are at the core of the study of democracy The traditional view is that parties as collective actors play a paramount role in the democratic process However this classical perspective has been challenged by political actors observers of modern democracy as well as political scientists Modern political parties assume different roles contemporary leaders can more heavily influence politics governments face new constraints and new collective bodies continue to form propose new ways of participation and policy making and attract citizens and activists In the light of these observations the comparative study of democracy faces a number of important and still largely unsolved questions that the present volume will address

*Studying Political Parties as Organizations* Emil Husted,2024-06-25 This book outlines what it means to study political parties as organizations by developing and applying four theoretical perspectives to the case of an unconventional Green party in Denmark called Alternativet meaning the alternative Drawing on an ethnographic study the book tracks the party's humble origins in 2013 as a social movement through its inaugural term until the 2022 national elections spotlighting Alternativet's unprecedented organizational dynamics By dissecting this party that did not want to be a party through classical configurational comparative and cultural lenses the author opens a new area of enquiry to scholars in organization and management studies

**Political Parties and Democratic Linkage** Russell J. Dalton,David M. Farrell,Ian McAllister,2011-09-29 Political Parties and Democratic Linkage examines how political parties ensure the functioning of the democratic process in contemporary societies Based on unprecedented cross national data the authors find that the process of party government is still alive and well in most contemporary democracies

**A Conceptual Framework for the Comparative Analysis of Political Parties** Kenneth Janda,1970

**Leadership and Politics** Bryan D. Jones,1989 In twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved The approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

**The Study of Comparative Government and Politics** Gunnar Heckscher,2013-06-17 Originally published in 1957 the first part of the book discusses the general problems of approach classification typology and terminology and examines ancillary fields of study and the methods of teaching comparative government Part Two is concerned with studies of particular areas democratic control of foreign policy political parties contemporary revolutionary movements parliamentary procedures electoral systems and elections and nationalized industries

**Political Parties** Kenneth Janda,1980 **A Comparative Study of Modern Parliamentary Systems** Weitan Yih,1927 **The Selection of Political Party Leaders in Contemporary Parliamentary Democracies** Jean-Benoit Pilet,William Cross,2014-01-10 This book explores the ways in which political

parties in contemporary parliamentary democracies choose their leaders and then subsequently hold them accountable. The authors provide a comprehensive examination of party leadership selection and accountability both through examination of parties and countries in different institutional settings and through a holistic analysis of the role of party leaders and the methods through which they assume and exit the office. The collection includes essays on Australia, Austria, Belgium, Canada, Germany, Hungary, Israel, Italy, Portugal, Romania, Spain, Norway, and the United Kingdom which have important differences in their party systems, their degree of democratization, the role assigned to party leaders and their methods of leadership selection. Each country examination provides significant data relating to party rules and norms of leadership selection, leadership tenures and leadership contests. The book concludes with a chapter that merges the country data analyses to provide a truly comparative examination of the theoretical questions underlying the volume. This book will be of strong interest to students and scholars of legislative studies, elections, democracy, political parties, party systems, political elites and comparative politics.

**How Political Parties Work** Kay Lawson, 1994-10-30 This important volume examines the inner dynamics of political parties with the intention of finding out how parties really work. Specialists on Germany, France, New Zealand, Norway, Japan, India, Belgium, Israel, Poland, Britain, and the United States provide analyses of the ways in which power is developed and exercised in those countries who are trying to do what within the party and by means of the party and how successful they are. Political parties are not monoliths as they have tended to be treated in party system research; rather, they have differentiated internal structures, layers and levels, and on each of these the motivations and objectives of the participants may be very different. By looking within these authors provide an understanding of the internal play of party power and why parties function as they do within the broader political arena.

### **The Study of Comparative Government**

Roy C. Macridis, 1955 **Political Parties of Europe** Vincent E. McHale, Sharon Skowronski, 1983 No other reference work offers such information in such convenient form. Recommended for all libraries.

**Choice Small Parties in Western Europe** Ferdinand Müller-Rommel, Geoffrey Pridham, 1991-02-01 This is the first comparative analysis of small parties in Western Europe. It fills a significant gap in the comparative study of political parties and party systems in the region. It formulates five approaches to the study of small parties and then applies these to selected national case studies. This original work will be of value to all political scientists interested in parties and party systems in Western Europe.

**Organizing Political Parties** Susan E. Scarrow, Paul D. Webb, Thomas Poguntke, 2017-06-16 Political party organizations play large roles in democracies yet their organizations differ widely and their statutes change much more frequently than constitutions or electoral laws. How do these differences and these frequent changes affect the operation of democracy? This book seeks to answer these questions by presenting a comprehensive overview of the state of party organization in nineteen contemporary democracies. Using a unique new data collection the book's chapters test propositions about the reasons for variation and similarities across party organizations. They find more evidence of within country similarity than of cross national patterns.

based on party ideology After exploring parties organizational differences the remaining chapters investigate the impact of these differences The volume considers a wide range of theories about how party organization may affect political life including the impact of party rules on the selection of female candidates the links between party decision processes and the stability of party programmes the connection between party finance sources and public trust in political parties and whether the strength of parties extra parliamentary organization affects the behaviour of their elected legislators Collectively these chapters help to advance comparative studies of elections and representation by inserting party institutions and party agency more firmly into the centre of such studies Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit [www.ecprnet.eu](http://www.ecprnet.eu) The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow Chair of the Department of Political Science University of Houston

**The Portuguese Communist Party's Strategy for Power, 1921-1986** Carlos A. Cunha,1992      **Undergraduate Courses of Study** University of Pennsylvania,1896      Introduction to Comparative Politics Roy C. Macridis,Steven L. Burg,1991 Provides a general framework for the study of modern political regimes D democratic authoritarian totalitarian and emphasizes the institutional structure within these regimes and their cultural and socioeconomic foundations

Citizens, Elections, Parties Stein Rokkan,2009-10-01 Stein Rokkan became one of the central figures of European comparative politics and political sociology in the post war decades Citizens Elections Parties remains the most complete guide to Rokkan s work up to 1970 and it is for this that Rokkan is most widely known today The core question at the heart of this seminal work is what explains the political behaviour of citizens The book brings together a series of studies some conceptual and theoretical others empirical and statistical of processes of political development in industrialising and industrialised societies The fourteen studies presented in the volume focus on three central themes in the comparative sociology of national development first the extension of citizenship to hitherto underprivileged strata of each territorial population second the mobilisation of the new masses through the institutionalisation of elections and the formation of parties and popular movements and third the reactions of the mobilised masses to the alternatives presented to them by the inherited national regime by the parties and by the new media of communication Rokkan s work as represented in Citizens Elections Parties remains alive today his analysis of the structural underpinnings of citizen behaviour was innovative and highly ambitious in its day and still remains relevant with many of the questions he raised still not receiving an adequate answer This edition includes a new introduction by Alan Renwick      *The Logics of Party Formation* Herbert Kitschelt,1989

## Reviewing **The Comparative Study Of Political Parties**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.

## **The Comparative Study Of Political Parties Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Comparative Study Of Political Parties has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Comparative Study Of Political Parties has opened up a world of possibilities. Downloading The Comparative Study Of Political Parties provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Comparative Study Of Political Parties has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Comparative Study Of Political Parties. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Comparative Study Of Political Parties. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Comparative Study Of Political Parties, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Comparative Study Of Political Parties has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About The Comparative Study Of Political Parties Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Comparative Study Of Political Parties is one of the best book in our library for free trial. We provide copy of The Comparative Study Of Political Parties in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Comparative Study Of Political Parties. Where to download The Comparative Study Of Political Parties online for free? Are you looking for The Comparative Study Of Political Parties PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Comparative Study Of Political Parties. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Comparative Study Of Political Parties are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access

online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Comparative Study Of Political Parties. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Comparative Study Of Political Parties To get started finding The Comparative Study Of Political Parties, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Comparative Study Of Political Parties So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Comparative Study Of Political Parties. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Comparative Study Of Political Parties, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Comparative Study Of Political Parties is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Comparative Study Of Political Parties is universally compatible with any devices to read.
