*Why Calories Count* Marion Nestle, Malden Nesheim, 2012-04-18 Calories too few or too many are the source of health problems affecting billions of people in today's globalized world. Although calories are essential to human health and survival they cannot be seen, smelled or tasted. They are also hard to understand. In *Why Calories Count* Marion Nestle and Malden Nesheim explain in clear and accessible language what calories are and how they work both biologically and politically. As they take readers through the issues that are fundamental to our understanding of diet and food weight gain/loss and obesity Nestle and Nesheim sort through a great deal of the misinformation put forth by food manufacturers and diet program promoters. They elucidate the political stakes and show how federal and corporate policies have come together to create an eat more environment. Finally having armed readers with the necessary information to interpret food labels evaluate diet claims and understand evidence as presented in popular media the authors offer some candid advice. Get organized. Eat less. Eat better. Move more. Get political.

*The Complete Calorie Counter*, 1976    *The Jennifer Marsh Mysteries Box Set: Books 1-3* Judy Fitzwater, 2016-04-21 For the first time bestselling author Judy Fitzwater has collected in one volume the first three books in her funny cozy Jennifer Marsh Mystery Series. Dying to Get Published, Dying to Get Even, and Dying for a Clue. Follow the adventures of aspiring mystery writer Jennifer Marsh as she solves her first crimes. Dying to Get Published, an Agatha Award nominee introduces Jennifer a writer so desperate to get published she finds herself in a twisted tale of how deadly the publishing business can be. Her second adventure lands her as the key witness for the prosecution in the case of a dear friend accused of murdering her husband. The third involves an adopted college student seeking her true identity only to find people willing to kill to keep it secret. On hand to help are Jennifer's wacky writer friends a rich and possibly demented old lady who prefers solving crimes to her weekly bridge games and investigative newspaper reporter Sam Culpepper who is as attracted to Jennifer as much as he is to the crimes she's embroiled in. And of course there's Muffy Jennifer's faithful greyhound offering love and support. Come join the fun and enjoy an intriguing mystery.
